The Committee on Public Awareness is grateful to the Circuit Judges of Lake County, Illinois, for letting the Maryland Judiciary adapt the book for the children of Maryland. Thank you also to Justin Lloyd, who donated his time and talent to design Chester the Crab.

This book is designed for children, especially those who are at or below the third grade level, to help them understand what laws are and how these laws help to protect them.

NOTE: Permission was granted by the publication's editor to reproduce and adapt any portion of or all of this publication provided it was used for educational purposes.
