Terms and Conditions

To obtain bulk data on current civil judgments and satisfactions recorded and indexed in the District Court of Maryland, you must make an **initial purchase of civil judgment data at a prepaid cost of \$2,775**. The initial purchase includes the past twelve (12) years of District Court civil judgments and the first monthly update. For example, payment must be received by March 1st for the April data disbursement.

The District Court will distribute the initial 12-year data report through a ShareFile link sent to the subscriber by email. Click the link and download files to your computer. From your Downloads folder, save the files to a designated folder for future reference and/or printing. Two (2) downloads are allowed in the week the email is sent before the files are no longer available.

Updates to the initial data, include new civil judgments and satisfactions, and are available at a prepaid cost of \$500 per month. Payment for monthly updates must be received by the first day of the preceding month. For example, payment must be received by February 1st for the March update.
