## Court of Special Appeals June 2020 Schedule

Panel assignments for argued cases will be identified for each courtroom approximately 7 - 10 days in advance of argument. Panel assignments are always preliminary and subject to change. If any party has a basis for seeking recusal of any judge listed as sitting in a courtroom in which that party's case is pending, a motion should be filed no later than 3 business days before the argument. Additions to the docket are indicated in bold type. Cases that have been removed from the docket are indicated by strikethroughs.
