UPDATED SCHEDULING NOTICE

Dear Counsel:

Recently you were sent a scheduling notice instructing you to report to the Clerk of the Court of Special Appeals by 9:00 a.m. on the day of your oral argument. Because the Court has decided to hold its April 2021 oral arguments remotely on Zoom for Government, you should not report to the Courthouse on the day of your oral argument. Instead, on the day of your argument, join the remote oral argument as described below.

1. Remote Argument Login Information: Two or three days prior to oral argument you will receive a notice from cosa@mdcourts.gov that will provide you with the login information for your remote hearing. The login information will include a hyperlink to the Zoom meeting for your oral arguments. Contact the Clerk's Office if you haven't received your login information by the business day before your arguments.

To join the meeting on the day of your argument, you should only have to click on the hyperlink provided and select a couple of settings ("Join Using Computer Audio," e.g.). When you check in for your argument, the clerk will give you additional instructions about the course of oral arguments, the order of cases, how time will be kept, etc.

Please check-in between 8:30 a.m. and 8:45 a.m. on the day of your argument.

2. ZOOM Test Sessions: Separately, the Clerk will send you a notice that provides login information for test meetings. These test meetings will give you the opportunity to test your system settings, familiarize yourself with Zoom, and give the Clerk the opportunity to provide some additional instructions. The test meetings are highly recommended, especially for anyone who has not had a remote oral argument before, or, if you have, if you

have changed your IT systems or changed the location where you will be for your remote arguments. **Note: The test meeting logins are not the same as the logins for your remote oral arguments.**

3. Equipment/Software Requirements: To join a remote oral argument, you will need a computer, laptop, tablet, mobile phone, or other system that can connect to the internet and that has a camera, a speaker, and a microphone. You do not, however, need to purchase any software to join your remote oral arguments.
4. Viewing Remote Oral Arguments: Clients, non-arguing co-counsel, and the public can access remote oral arguments by watching the live stream on the Court's webcast page,¹ or by watching the recording when it is posted to the Court's oral argument archive page.²
5. Best practices:
 - a. Test the operation of your camera and microphone before the day of oral argument.
 - b. Consider your surroundings when selecting a place from which to join the meeting. Backlighting and cluttered backgrounds can be distracting. Avoid places where sounds from surrounding activity will be picked up on your microphone.
 - c. Always mute your microphone when you are not presenting argument – this reduces feedback and other noise distractions for the Court and other counsel.
 - d. To the extent possible, present your argument as you would if you were in the courtroom. The Court is aware of the challenges of this way of holding arguments.
 - e. Each Zoom user is able to customize their view, so do not assume that your view looks like everyone else's view.

Please contact the Clerk's Office if you have any questions.

Sincerely,

Gregory Hilton, Clerk
