HB1110 directs the Maryland State Police to enact Code of Maryland Regulations (COMAR), ensuring all Special Police Officers in the State of Maryland meet required training requirements to possess a Special Police Commission (initial and renewal). COMAR dictates the Maryland State Police and Maryland Police Correctional Training Commission the oversight and enforcement authority to implement training requirements for a Special Police Officer in the State of Maryland. All bailiffs (new hire and experienced) are now required to complete the initial training and annual in-service training requirements outlined in COMAR.

In addition, the District Court of Maryland requires annual firearms qualification for all bailiffs. B. TECHNICAL PROPOSAL CRITERIA

The criteria to be applied to each Technical Proposal are listed in descending order of importance. Unless stated otherwise, any sub-criteria within each criterion have equal weight.

 - a. Firearm Range
 - b. Classroom
 - c. Computer Simulation
 - d. Multi-purpose Room

Technical Proposals which include limited responses to work requirements such as "concur" or "will comply" will receive a lower ranking than Technical Proposals that demonstrate an understanding of the work requirements and include plans to meet or exceed requirements.

C. FINANCIAL PROPOSAL CRITERIA

All Offerors will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on their total proposed price set forth in this RFP and as submitted on Attachment E – Price Proposal Form.

D. SELECTION PROCEDURES

1. The Procurement Officer shall initially review for compliance with the RFP requirements. Failure to comply with RFP requirements may result in a proposal being classified as not reasonably susceptible of being selected for award.
 - a. Minor irregularities in proposals that are immaterial or inconsequential in nature may be cured or waived whenever it is determined to be in the AOCs best interest.
 - b. The Procurement Officer will determine that the MBE Forms are included and are properly completed (as applicable) and determine that the VSBE Forms are included and are properly completed (as applicable).
2. Selection Procedures:
 - a. Technical Proposals are evaluated for technical merit and ranked. During this review, oral presentations, interviews, and discussions may be held. The purpose of such discussions shall be to assure a full understanding of the AOCs requirements and the Offeror's ability to

perform, and to facilitate understanding of the Contract that shall be most advantageous to the AOC.

- (1) At the discretion of the Procurement Officer, following the recommendation of the Evaluation Committee, a shortlist of Offerors may be established during the technical evaluation. Only shortlisted Offerors would continue in the evaluation process; Offerors not shortlisted shall be so advised.
 - (2) Offerors must confirm in writing any substantive oral clarifications of, or changes in, their Technical Proposal made during discussions. Any such written clarifications or changes become part of the Offeror's Technical Proposal.
 - (3) The AOC may require any Offeror to furnish additional information regarding past performance, financial capacity, technical expertise, or other qualifications bearing on the performance of the contract, and reserves the right to consider any information otherwise available, or to make such additional investigations as it deems necessary to confirm the Offeror is reasonably susceptible of being selected for award.
- b. The Financial Proposal of each remaining Offeror will be evaluated and ranked separately from the technical evaluation. After a review of the Financial Proposals of remaining Offerors, the Evaluation Committee and/or Procurement Officer may conduct discussions to further evaluate the Offeror's entire proposal.
 - c. When in the best interest of the AOC, the Procurement Officer may permit remaining Offerors to revise their initial proposals and submit, in writing, Best and Final Offers (BAFOs). The AOC may make award without issuing a request for a BAFO.
3. Recommendation for Award
- a. Upon completion of the Technical Proposal and Financial Proposal evaluations and rankings, an overall ranking will be designated to each Offeror.
 - b. The Procurement Officer will recommend award of the Contract to the Offeror that submitted the proposal determined to be the most advantageous to the AOC. In making the most advantageous Offeror's determination, technical factors shall be given greater weight than price factors.

E. DEBRIEFING

Unsuccessful Offerors may request a debriefing. If the Offeror chooses to do so, the request must be submitted in writing to the Procurement Officer within fourteen (14) calendar days from the date they are notified their proposal was unsuccessful. Pending resolution of a claim by the Procurement Officer, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the AOC from future performance of the Contract but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any agreed upon non-recurring costs incurred but not amortized in the price of the Contract. The AOC shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

The final decision on release of any information rests with the AOC.

28. Conflict of Interest

- 28.1. "Conflict of interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the State of Maryland or the AOC, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. If the Contract has been awarded and performance of the Contract has begun, the Contractor shall continue performance until notified by the Procurement Officer of any contrary actions to be taken. The existence of a conflict of interest is cause for termination of the Contract as well as disciplinary action against an employee for whom a conflict exists.

29. Ownership and Rights in Data

29.1. In addition to the requirements stated in the RFP, the Contractor agrees to furnish the AOC with copies of the following: computations, computer files, data, model(s), transmittal letters, response letters, training materials, and all other documents or correspondence pertinent to the operation of [insert type of Goods or Services].

29.2. The AOC shall be the owner of all materials developed under this Contract and shall be entitled to use, transfer, disclose, and copy them in any manner without restriction and without compensation to the Contractor. Without the AOC’s prior written consent, Contractor may neither use, execute, reproduce, display, perform, distribute (internally or externally), retain copies of, or prepare derivative works based on, these Materials nor authorize others to perform those acts.

29.3. The Contractor agrees that, at all times during the terms of this Contract and thereafter, all materials developed under this Contract, shall be “works for hire” as that term is interpreted under U.S. copyright law. To the extent that any of these materials are not works for hire for the AOC, the Contractor hereby relinquishes, transfers, and assigns to the AOC all of its rights, title, and interest (including all intellectual property rights) in such materials, and shall cooperate with the AOC in effectuating and registering any necessary assignments.

Non-Disclosure Agreement Sample

THIS NON-DISCLOSURE AGREEMENT (“Agreement”) is made as of this ____ day of _____, 20____, by and between Administrative Office of the Courts (“AOC”) and _____ (Contractor”), a corporation with its principal business office located at _____ and its principal office in Maryland located at _____.

RECITALS

WHEREAS, the Contractor and AOC have entered into Contract No. _____ (the “Contract”); and,

WHEREAS, in order for Contractor to perform the work required under the Contract, or in the course of that work, the Contractor, the Contractor’s subcontractors, and the Contractor’s and subcontractors’ employees and agents (**collectively the “Contractor’s Personnel”**) may come into contact with information maintained or held by the Judicial branch of the Maryland government (“Confidential Information”) including the AOC and all courts, units and departments (**collectively “the Judiciary”**); and,

WHEREAS, the Judiciary, in order to comply with the law, fulfill its various missions, and enhance the safety of participants in the judicial process, must ensure the confidentiality of certain information and, to that end, must act as the sole entity with the authority to determine which information held by the Judiciary may be disclosed to persons or entities outside of the Judiciary; and,

WHEREAS, Contractor acknowledges that Contractor’s compliance with this Agreement is a condition of doing business with AOC,

NOW, THEREFORE, Contractor agrees as follows:

1. “Confidential Information” includes any and all information provided by or made available by the Judiciary to Contractor’s Personnel in connection with the Contract, regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such or disclosed deliberately or inadvertently. Such information is Confidential Information, whether or not its contents may also be gathered from other sources or may subsequently be disseminated to the public. Confidential Information includes, by way of example only, information that the Contractor’s Personnel sees, views, hears, takes notes from, copies, possesses or is otherwise provided access to and use of by the Judiciary, whether or not the information relates to the Contract or the Contract has placed the Contractor’s Personnel in the position to receive the information. Confidential information further includes information both held by the Judiciary and derived or created from information held by the Judiciary.
2. Contractor’s Personnel shall not, without the AOC’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information except for the sole and exclusive purpose of performing under the Contract and except for disclosures to such Judiciary employees whose knowledge of the information is necessary to the performance of the Contract. Contractor shall limit access to the Confidential Information to Contractor’s Personnel who: 1) have a demonstrable need to know such Confidential Information in order to perform Contractor’s duties under the Contract and 2) have agreed with Contractor in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information. The names of Contractor’s Personnel are attached hereto and made a part hereof as Exhibit 1. With respect to information pertaining to the job performance, skills, or conduct of any Judiciary employee, the **only person with the need to know such information is** _____ and, except in cases of emergency involving imminent or actual bodily harm or significant property loss or damage, such information may only be disseminated to him, or, in his absence, to the State Court Administrator.
3. Contractor shall require each employee, agent, and subcontractor whose name appears on Exhibit 1 to sign a writing acknowledging receipt of a copy of, and agreeing to comply with the terms and conditions of, this Agreement. Subcontractors shall expressly agree to all terms applicable to Contractor. Accordingly, subcontractors must require their employees and agents to sign such a writing and must submit those individuals’ names to the Contractor for inclusion on Exhibit 1. Upon the Procurement Officer’s request, Contractor shall provide originals of all such writings to the AOC. Contractor and subcontractors shall update Exhibit 1 by adding additional names as needed and shall ensure that no employee or agent handles Confidential Information before that person has signed this Agreement. This Agreement shall not be construed to create an employment relationship between AOC and any of Contractor’s or subcontractors’ personnel.
4. If Contractor intends to disseminate any portion of the Confidential Information to non-employee agents who are assisting in Contractor’s performance of the Contract or who will otherwise have a role in performing any aspect of the Contract, Contractor shall first obtain AOC Contract Manager’s written consent to any such dissemination. AOC’s Contract Manager may grant, deny, or condition any such consent, as it may deem appropriate in the AOC Contract Manager’s sole and absolute subjective discretion.

5. Contractor shall hold the Confidential Information in trust and in strictest confidence, adopt or establish operating procedures and physical security measures, take all other measures necessary to protect the Confidential Information from inadvertent release or disclosure to, or theft by, unauthorized third parties, and prevent all or any portion of the Confidential Information from falling into the public domain or into the possession of persons not bound to maintain the confidentiality of the Confidential Information.

6. Contractor shall promptly advise the AOC Contract Manager in writing if Contractor learns of any unauthorized use, misappropriation, or disclosure of the Confidential Information by any of Contractor's Personnel or the Contractor's former Personnel. Contractor shall, at its own expense, cooperate with AOC in seeking damages and/or injunctive or other equitable relief against any such person(s).

7. Upon the earlier of AOC's request or termination of the Contract, Contractor shall, at its own expense, return to the AOC Contract Manager, all copies of the Confidential Information, no matter how formatted or stored, in Contractor's and/or Contractor's Personnel's care, custody, control or possession.

8. A breach of this Agreement by the Contractor or noncompliance by Contractor's Personnel with the terms of this Agreement shall also constitute a breach of the Contract. The termination of the Contract does not terminate Contractor's obligations under this Agreement.

9. Contractor acknowledges that any failure by the Contractor or Contractor's Personnel to abide by the terms of this Agreement may cause irreparable harm to the Judiciary and that monetary damages may be inadequate to compensate the Judiciary for such breach. Accordingly, the Contractor agrees that the AOC may, in addition to any other remedy available to AOC under Maryland and any applicable federal law, seek injunctive relief and/or liquidated damages of \$1,000 for each unauthorized disclosure. Contractor consents to personal jurisdiction in the Maryland State Courts and to the application of Maryland law, if AOC so elects in its sole discretion, irrespective of Maryland's conflict-of-law rules. If the Judiciary suffers any losses, damages, liabilities, expenses, or costs (including, by way of example only, attorneys' fees and disbursements) that are attributable, in whole or in part, to any failure by the Contractor or any of the Contractor's Personnel to comply with the requirements of this Agreement, the Contractor shall hold harmless and indemnify the Judiciary from and against any such losses, damages, liabilities, expenses, and/or costs.

10. The parties further agree that 1) Contractor's rights and obligations under this Agreement may not be assigned or delegated, by operation of law or otherwise, without AOC's prior written consent; 2) the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall be construed to provide the broadest possible protection against the disclosure of Judiciary information; 3) signatures exchanged by facsimile are effective for all purposes hereunder to the same extent as original signatures; and 4) the Recitals are not merely prefatory but are an integral part hereof
