11. **Question:** Will there be any GFE, GFP, and/or GFI provided/required for this contract? If so, will the State please provide a list of the same?

GFE: Government furnished equipment (aka Customer furnished equipment)

GFP: Government furnished property (aka Customer furnished property)

Response: Will provided a color printer that is the same model that the Court sites use and will provide system documentation and a functionality/user guide.

12. **Question:** Is the \$10 million requirement for Cyber Insurance in Section 2.10 a mandatory requirement? Would it be possible to have this requirement removed or reduced, since it is extremely cost prohibitive to small businesses?

Response: Offeror can lower the cyber insurance at their discretion, and we will evaluate the proposal.

13. **Question:** Will the State provide Labor Categories and descriptions for each task? Or, should we use labor categories in the CATS+ contract as our source?
