Questions/Responses No. 1 to the Request for Proposals (RFP) .11142 Upper Marlboro Detention Center, Surveillance System Upgrade

Ladies and Gentlemen:

The following questions for the above referenced RFP were received by e-mail and are answered and posted for all prospective Offerors. The statements and interpretations contained in the following responses to questions are not binding on the Maryland Judiciary unless the RFP is expressly amended. Nothing in the Maryland Judiciary's response to these questions is to be construed as agreement to or acceptance by the Maryland Judiciary of any statement or interpretation on the part of the Offeror asking the question.

1. Question: Is there a way that TradesMAX Staffing can propose to subcontract with the incumbent?

Response: No

2. Question: When the intercom is pressed, who receives the call first or does it ring all of the stations? Where will the master station?

Response: When the intercom is pressed it should go to all stations. If the vendor proposes a master station that is fine as long as when the intercom is pressed all intercom station ring.

3. Question: The camera is to be recorded to a standalone NVR. What video retention do you want?

Response: 30 days NVR storage capacity

4. Question: The RFP ask for 24 inch monitors if I can get 32 inch monitors for the same price would they prefer the 32 inch?

Response: We will accept 32 inch monitors

5. Question: Do you want commercial or residential monitors?

Response: The monitor needs to work with the NVR system and show the view of the lobby area

6. Question: If you add a door and video release button how will the employees have access to enter the room in the morning?

Response: Commissioners currently have key access and that should not change
