

IN THE COURT OF APPEALS OF MARYLAND

O R D E R

WHEREAS, on November 19, 1982, this Court adopted amendments to former Maryland Rules 881, 882, 1081 and 1082 regarding the allowance for printing of briefs and record extract to be effective as to all cases docketed in the appellate courts after January 1, 1983; and

WHEREAS, amended former Rules 881 b and 1081 b (now Rule 8-608 (c)) provided that the clerk shall determine the allowance for printing by multiplying the number of pages by the standard page rate established from time to time by the Court of Appeals; and

WHEREAS, on December 17, 1982 the Court of Appeals ordered that the standard page rate for briefs filed in the Court of Appeals and Court of Special Appeals shall be 12 cents per page or \$4.80 per page based upon the printing of 40 copies; and

WHEREAS, under new Rule 8-502 (c), instead of requiring 40 copies of briefs to be filed in the appropriate appellate court, the parties now shall file 15 copies of each brief in an appeal to the Court of Special Appeals and 20 copies of each brief in an appeal to the Court of Appeals; it is this 22nd day of November, 1989

ORDERED, by the Court of Appeals of Maryland, that the standard page rate in the Court of Special Appeals shall be 24 cents per page or \$3.60 per page based upon the reproduction of 15 copies of each brief, record extract or appendix and the standard page in the Court of Appeals shall be 24 cents per page or \$4.80 per page

based upon the reproduction of 20 copies of each brief, record extract or appendix until further order of this Court, said order to be effective January 1, 1990.
