COUCH ON INSURANCE

Couch on Insurance 3d includes detailed case analysis from all state and federal jurisdictions. On-point illustrations indicate how the law has been applied in specific instances. Couch's unparalleled legal analysis begins with general insurance litigation principles and then discusses and analyzes specific topics in detail. The applicable rule of law is carefully illustrated with fact situations, indicating where the rule does, or does not apply. More than 250,000 case citations and case notes assure that answers from Couch are complete and authoritative.

Couch on Insurance includes a number of useful practice observations from veteran legal scholar Tom Russ in close consultation with Tom Segalla, a prominent member of the defense bar with years of trial experience. Together they provide innovative solutions to problems unique to insurance law as well as new ideas to make any practice more efficient and effective.

Couch on Insurance 3d also contains more than 1,200 practice-tested insurance forms, including:
