Subject: CONNECT Parallel Testing System Is Back Up!

Hello CONNECT Parallel Testing Community:

The CONNECT Parallel Testing system is now online again
(<https://testconnect.mdcourts.gov/psp/ptuat/?cmd=login&languageCd=ENG&>).
Please feel free to resume your testing of CONNECT.

If you experience any issues, first review the online training materials at
<http://mdcourts.gov/connect/connected/index.html>.

If you are not able to find the information you need there, contact your CONNECTor for support.

Lastly, you are welcome to contact the CONNECT Hotline at 410-260-6550.

Thank you for your patience and support.
