Preface

The State of Maryland Judiciary is committed to fairness not only for our employees and applicants, but also for those who use court services and programs. It assures both our employees and the public at large that the Judiciary can and will provide them with opportunities to enter our work force and advance in every profession and occupation. Only through dedication to the principles of fairness and equal opportunity can we effectively respond to the needs of those who work in the courts and those who use the courts. We adhere to these principles when we treat everyone, without exception, with respect and dignity.

The Judiciary is committed to providing a work environment free from discrimination on the basis of age, ancestry, color, creed, gender identity or expression, genetic information, marital status, mental or physical disability, national origin, religious affiliation, belief or opinion, race, sex, sexual orientation, or any other non-job related factor. To that end, the Judiciary is committed to personnel procedures and practices in recruitment, testing, selection, appointment, promotion and retention that foster equal employment opportunity for all persons in the Judiciary.

The Office of Fair Practices (OFP) is charged with monitoring the Judiciary's compliance with equal employment opportunity (EEO) laws and procedures, reviewing and assessing the effects of compliance efforts to maintain continuing affirmative employment programs to promote equal employment opportunity and to identify and eliminate barriers to equality of employment opportunities.

The following report covers the period from July 1, 2006 through June 30, 2007. The purpose of this report is to provide the Management of the Judicial Branch with the information necessary to assess and evaluate the Judiciary's Equal Employment Opportunity (EEO) Program.

To prepare this report, the Office of Fair Practices relied on workforce data as of July 1, 2007, obtained from the Judiciary Human Resources Department and census data from the 2000 EEO Special Files.

SECTION ONE

SECTION 1: EXECUTIVE SUMMARY

- Minorities comprised 1396 or 37.5 % of the workforce; 34.1% were African American, 1.7% Hispanic, 1.5% were Asian and .2% were American Indian/Alaskan Native (**Exhibit 2**).
- Of the total number of Judiciary employees, 30.6% were male and 69.3% were female (**Exhibit 3**). Of the total number of females, 41.7% were White, 26.5% were African American, 1.0% was Hispanic, 1.1% was Asian, and less than 1% was other Minority.
- African American male and female representation of 34.1% fell slightly below their combined availability of 33.4% in the State of Maryland Civilian Labor Force (CLF) ¹ Although African American females representation of 25.9 exceeded the Maryland's CLF of 14.0%, representation of African American males in the Judiciary (8.1%) fell short of the CLF by 3.5%. Other minority males and other minority females within the Judiciary fell below their availability in the CLF by 4.2% and 1.4%, respectively. Overall female representation in the Judiciary workforce exceeded availability in the CLF by 20% (**Exhibit 4**).
- Appointments continued to add to the diversity of the workforce with females accounting for 66.4% of appointments, all minorities accounting for 39.1% and African Americans accounting for 31.5% (**Exhibits 5 and 6**).²
- Female employees within the Judiciary received promotions or reclassifications at rates above their share of the workforce.³ Females represented 69.3% of the workforce and accounted for 89.8% of all promotions and 73.3% of reclassifications (**Exhibit 7**). Minorities, who comprised 37.5% of the workforce, accounted for 31.9% and 36.0% of promotions and reclassifications, respectively. African Americans, who comprised 34.1% of the workforce, accounted for 28.4% of the promotions and 33.7% of the reclassifications (**Exhibit 8**).
- Females had a separation rate of 67.1%. Of the female separations, 42.7% were White, 21.4% were African American, 1.4% was Hispanic and 1.6% were Asian (**Exhibit 9**). Minorities had a separation rate of 34.1%. Of the minority separations, 29.5% were African American, 1.9% was Hispanic and 2.7% were Asian (**Exhibit 10**).

¹ The Civilian Labor Force is defined as the number of persons 16 years and over, except those in the armed services, who are unemployed or seeking employment in the geographic area which an employer would recruit. Civilian Labor Force demographics are based upon the 2000 Census Special EEO Tabulation Files.

² Appointments include new hires, rehires, reinstatements, and transfers into the Judiciary from other State agencies.

³ As defined by the Judiciary Policy on Classification and Compensation, a promotion is an action by which an employee is selected to move from a position in one job classification to another position in a different job classification that has a higher grade or salary, resulting from a competitive selection process. A reclassification is a change of a position from one job classification to another job classification that more appropriately reflects the duties and responsibilities of the position. The position should have undergone a substantial change in job function that has increased (or decreased) the duties and responsibilities enough to impact the current grade or salary. The reclassification may be to a higher, lower, or the same grade and salary as the former position and the employee retains his or her own PIN.

- **Exhibit 11** depicts the average salaries (excluding Judges) for males and females. As shown, the average salary for males, \$40, 631, slightly exceeds the average Judiciary of \$40,430, while the average salary for females \$40, 352, falls slightly below the average Judiciary salary.
- **Exhibit 12** reflects the average salary by race. The average salary for African Americans was \$39,694, for Hispanic, \$35,849, for Asian, \$39,214 and for American Indian/Alaskan Native, \$37,387 and all fell below the Judiciary average salary.
- **Exhibit 13** reflects that the average salary for all minorities fell short of the average Judiciary salary with the largest difference for Other Minority males.

SECTION TWO

POLICY STATEMENT

SECTION 2: POLICY STATEMENT

The State of Maryland Judiciary Policy Statement on Equal Employment Opportunity and Anti-Discrimination

The Chief Judge of the Maryland Court of Appeals declares the following to be the policy of the Maryland Judiciary in order to ensure equal opportunity for all Judiciary employees and applicants for employment, and in order to ensure that all court users, volunteers, attorneys, litigants, witnesses or others who come into contact with the court system are treated in a nondiscriminatory manner with civility, dignity, and respect. All who serve in the Maryland Judiciary are responsible for implementing this policy.

Equal Employment Opportunity and Anti-Discrimination

The Maryland Judiciary is committed to the principles of equal employment opportunity and prohibits discrimination in hiring, promotion and terms and conditions of employment on the basis of race, creed, color, national origin, ancestry, sex, age, religion, disability or perceived disability, marital status, sexual orientation, status as a disabled veteran or veteran of the Armed Forces of the United States, or other non-job-related criterion.

Overcoming Barriers to Equal Opportunity

The Judiciary will take appropriate action to remove barriers that may prevent minorities and female from full participation in the Judiciary's work force and full enjoyment of all of the privileges of employment. Management will periodically review Judiciary employment practices in order to ensure that all applicants and employees and, in particular, persons who are members of groups that have been historically disadvantaged because of discrimination are receiving fair and equal consideration for job opportunities. Affirmative efforts to ensure fairness will be undertaken with respect to all employment practices, including but not limited to recruitment, selection, hiring, training, promotions, transfers, discipline, discharge, demotion, layoffs, re-employment after layoff, job assignment, compensation, and fringe benefits.

Disabilities Affecting Court Users, Job Applicants and Employees

The Judiciary is committed to complying with the provisions of the Americans with Disabilities Act (ADA), the Maryland Statutes Against Discrimination, and other anti-discrimination statutes and regulations, and will not discriminate against any qualified employee or job applicant with respect to any terms, privileges or conditions of employment because of a physical or mental disability. Moreover, the Judiciary will not discharge a worker who develops a disability, including a disease such as cancer or AIDS, so long as that individual remains qualified and able to perform the essential functions of the job with or without reasonable accommodations. The Judiciary will make reasonable accommodations for all court users, employees, and applicants with disabilities, provided that the accommodations neither cause the Judiciary undue hardship, nor present a direct threat to their own health or safety, or the health and safety of others as defined under the ADA. An individual with a disability may request an accommodation. This may be done by contacting either the local ADA Coordinator or the Office of Fair Practices ADA Coordinator at 410-260-3661 regarding access issues or may contact the Administrative Official for the respective jurisdictions/locations regarding employment issues.

Harassment

In recognition of the dignity and worth of each person who works for the Judiciary or who comes into contact with the courts, the Maryland Judiciary promulgates this policy on sexual harassment for implementation throughout the court system. Sexual harassment is illegal, an abuse of authority and, if engaged in by a Judiciary employee, will be deemed to constitute misconduct. Sexual harassment undermines the public's confidence in the Judiciary and the integrity of employment relationships, debilitates morale and may be destructive to its victims and their associates. Accordingly, sexual harassment will not be tolerated whether it is engaged in by judges, employees or non-employees, against court employees, attorneys, litigants, witnesses or others who come into contact with the court system. Managerial and supervisory personnel are required to ensure adherence to and compliance with this policy and, upon being informed of possible harassment, are required to take appropriate and immediate action in response thereto. The Maryland Judiciary has procedures for filing a sexual harassment complaint. The Judiciary complaint procedures should be used for filing and addressing sexual harassment complaints as noted in the "Filing a Complaint" section below.

Sexual Orientation

The Judiciary is committed to treating all employees and court users equally, with dignity and respect. Discrimination in any form against any individual the basis of sexual orientation is prohibited. Sexual orientation is defined as male or female heterosexuality, homosexuality, or bisexuality by inclination, practice, identity or expression, having a history thereof, or being perceived, presumed or identified by others as having such an orientation. The Judiciary shall not treat job applicants, employees, or individuals who come into contact with the courts differently because of their actual or perceived sexual orientation.

Racial/Ethnic Bias and Hostile Work Environment

The Judiciary prohibits all forms of bias and discrimination in all of its operations. This prohibition extends to work force management, all aspects of employment practices, the processing and adjudication of cases, and all programs, services and activities of the Judiciary. Appropriate actions, up to and including discharge, will be taken against individuals who do not adhere to this policy. Judges, Administrative Officials, Managers, and Supervisors are to take all necessary steps to ensure that each employee's work environment is free of unlawful discrimination, including racial, ethnic or sexually oriented jokes. Harassment, coercion or intimidation of any employee based on that employee's race, creed, color, national origin, age or other unlawful criteria is strictly forbidden.

Filing a Complaint

Employees, applicants, customers and users of the courts who have questions, problems or complaints regarding EEO, disability, sexual harassment, racial/ethnic bias, hostile work environment or other categories covered by the anti-discrimination laws may communicate their concerns to the Administrative Official in charge of the court/unit, program, services or activity.

If the complainant is dissatisfied with the handling of the matter, or if the complainant prefers, the complainant may contact the Office of Fair Practices or may pursue his or her complaint according to the Maryland Judiciary's discrimination and sexual harassment complaint

procedures, which can be obtained from the local Administrative Official. The Judiciary EEO/ADA Coordinator in the Office of Fair Practices can be contacted by calling 410-260-3661.

Prohibition Against Retaliation

Retaliation in any form by anyone who serves in the Judiciary against any person who complains about discrimination, files a discrimination complaint or who assists in the investigation of such complaints is prohibited. A charge of retaliation may be raised at any step of the complaint procedures or may form the basis of a new complaint. Retaliation may result in legal liability even though the original discrimination complaint was unfounded and dismissed. Appropriate actions, up to and including discharge, will be taken against individuals who are found to have retaliated against a complainant or against any individual who assists in the investigation of a complaint.

SECTION FIVE

WORKFORCE by SALARY, GRADE, RACE, and GENDER

SECTION 5: WORKFORCE by SALARY, GRADE, RACE, and GENDER

Section Five presents the salary and grade of employees by race and gender as of July 1, 2007.

Exhibit 24 shows the salary of employees in increments of \$10,000. A total of 2,399 or 61.0% of all Judiciary employees fell within the \$30,000 to \$50,000 salary ranges. Of this number, 21.5% were males, 78.5% were females and 41.8% were minorities.

Within the Judiciary there are three primary salary scale structures. The J scale, **Exhibit 25**, is the main salary scale for Judiciary employees with 93.8% of the employees compensated in accordance with this scale structure.

The T scale, **Exhibit 26**, is used for technical/computer-related positions. The majority of these positions are located at JIS, however, there are a few other T scale employees scattered throughout the Judiciary. Approximately 3.5% of the Judiciary employees fall within the T scale.

Exhibit 27 depicts the S scale which is used for senior management. The employees on this scale include Directors and Deputy Directors for AOC and Court-Related Agencies, Assistant Chief Clerks of the District Court, the Clerks of the Appellate Clerks, Directors of Agencies within the Court of Appeals and Court of Special Appeals, Circuit Court Administrators, Masters, the Coordinator of Commissioner Activities, the Chief Clerk of District Court and District Administrative Clerks. Only 2.7% of employees are paid in accordance with the S scale.

Summary Highlights

- With respect to the J scale, female employees held 77.1% of the positions in grades J01 through J12 and 63.9% of the positions in grades J13 through J19.
- In grades J01 through J12, Minorities held 42.1% of the positions; African Americans held 38.4% positions; and Whites held 57.5%. In grades J13 through J19, Minorities held 32.8%; African Americans held 32.5%; and Whites held 63.9%.
- On the T scale, females held 47.4% of these technical positions, Whites held 60.3%, African Americans were represented in 35.3% of the positions and other Minorities were represented in 4.4%.
- The S scale was comprised of 51.7% female employees and the racial make-up of the employees on this scale included 80.9% White and 19.1% African American.

Other Salary Structures

The vast majority of Judiciary employees fall under the J, T and S scales. There are exceptions, however. The Judiciary has some flat rate employees (State Court Administrator, Deputy State Court Administrator, law clerks, interpreters, Drug Court case managers and coordinators, an employee in the Court of Special Appeals, and one court transcriber). Flat rate employees are not tied to any scale. Females comprised 55.3% of the flat rate positions; Whites comprised 78.3% African Americans and Other Minorities comprised 13.4% and 8.3%, respectively.

Elected officials (Judges, recalled Judges, and Clerks of Court) are in salary grade 9999; 29.0% of the employees in this salary grade were female. African Americans and other Minorities represented 16.2% and 1.4%, respectively.
