4.2 Technical Criteria

- 4.2.1 The criteria to be applied to each technical proposal are listed in descending order of importance:
- Offeror Experience and Capabilities (RFP Section 3.4.7)
 - References (RFP Sections 3.4.7 and 3.4.9)
 - Offeror Technical Response to RFP Requirements (RFP Section 3.4.6).

4.3 Financial Criteria

All qualified Offerors will be ranked from the lowest to the highest price based on their total price proposed on Attachment E – Price Proposal.

4.5 Selection Process and Procedures

4.5.1 General Selection Process:

4.5.1.1 The Contract shall be awarded in accordance with the competitive sealed proposals process under Article IV. The competitive sealed proposals method is based on discussions and revision of proposals during these discussions.

4.5.1.2 Accordingly, the Judiciary may hold discussions with all Offerors judged reasonably susceptible of being selected for award, or potentially so. However, the Judiciary also reserves the right to make an award without holding discussions. In either case of holding discussions or not doing so, the Judiciary may determine an Offeror to be not responsible and/or not reasonably susceptible of being selected for award, at any time after the initial closing date for receipt of proposals and the review of those proposals.

4.5.2 Selection Process Sequence:

4.5.2.1 The first level of review shall be an evaluation for technical merit by the selection committee. During this review, oral presentations and discussions may be held. The purpose of such discussions shall be to assure a full understanding of the Judiciary's requirements and the Offeror's ability to perform, and to facilitate understanding of the Contract that shall be most advantageous to the Judiciary.

- 4.5.2.2 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their proposals made in the course of discussions. Any such written clarification or change then becomes part of the Offeror's proposal.
- 4.5.2.3 The financial proposal of each Offeror shall be evaluated separately from the technical evaluation. After a review of the financial proposals of Offerors, the Procurement Officer may again conduct discussions.
- 4.5.2.4 When in the best interest of the Judiciary, the Procurement Officer may permit Offerors who have submitted acceptable proposals to revise their initial proposals and submit, in writing, best and final offers (BAFOs).
- 4.5.2.5 Upon completion of all discussions and negotiations, reference checks, and site visits, if any, the Procurement Officer shall recommend award of the Contract to the responsible Offeror whose proposal is determined to be the most advantageous to the Judiciary considering evaluation and price factors as set forth in this RFP. In making the most advantageous Offeror determination, technical shall be given greater weight than price factors.

The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

Termination for Convenience The performance of work under this Contract may be terminated by the State in accordance with this clause in whole or, from time to time, in part whenever the State shall determine that such termination is in the best interest of the State. 22. **Retention of Records** The Contractor shall retain and maintain all records and documents relating to this Contract for three (3) years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or the Procurement Officer's designee, at all reasonable times.

23. **Liability for Loss of Data** In the event of loss of any data or records necessary for the performance of this Contract, which such loss is due to the error or negligence of the Contractor, the Contractor shall be responsible, irrespective of cost to the Contractor, for recreating all such lost data or records in a manner, format, and time-frame acceptable to the Department.

A. AUTHORITY

I HEREBY AFFIRM THAT:

I, _____ (print name), possess the legal authority to make this Affidavit.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned bidder hereby certifies and agrees that the following information is correct: In preparing its bid on this project, the bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in §19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland.

"Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid. As part of its bid or proposal, the bidder herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the bidder discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder agrees to comply in all respects with the State's Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES

The undersigned bidder hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, §14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a bid or proposal and:

(1) Fail to request, receive, or otherwise obtain authorization from the certified minority business enterprise to identify the certified minority proposal;

(2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the bid or proposal;

(3) Fail to use the certified minority business enterprise in the performance of the contract; or

(4) Pay the certified minority business enterprise solely for the use of its name in the bid or proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid.

WHEREAS, the Contractor and AOC have entered into Contract No. **K11-0030-29** (the “Contract”); and

WHEREAS, in order for Contractor to perform the work required under the Contract, or in the course of that work, the Contractor, the Contractor’s subcontractors, and the Contractor’s and subcontractors’ employees and agents (**collectively the “Contractor’s Personnel”**) may come into contact with information maintained or held by the Judicial branch of the Maryland government, including the AOC and all courts, units and departments (**collectively “the Judiciary”**); and

WHEREAS, the Judiciary, in order to comply with the law, fulfill its various missions, and enhance the safety of participants in the judicial process, must ensure the confidentiality of certain information, and, to that end, must act as the sole entity with the authority to determine which information held by the Judiciary may be disclosed to persons or entities outside of the Judiciary; and

WHEREAS, Contractor acknowledges that Contractor’s compliance with this Agreement is a condition of doing business with AOC,

NOW, THEREFORE, Contractor agrees as follows:

1. “Confidential Information” includes any and all information provided by or made available by the Judiciary to Contractor’s Personnel in connection with the Contract, regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such or disclosed deliberately or inadvertently. Such information is Confidential Information, whether or not its contents may also be gathered from other sources, or may subsequently be disseminated to the public. Confidential Information includes, by way of example only, information that the Contractor’s Personnel sees, views, hears, takes notes from, copies, possesses or is otherwise provided access to and use of by the Judiciary, whether the information relates to the Contract or the Contract has placed the Contractor’s Personnel in the position to receive the information. Confidential information further includes information both held by the Judiciary and derived or created from information held by the Judiciary.
2. Contractor’s Personnel shall not, without the AOC’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information, except for the sole and exclusive purpose of performing under the Contract and except for disclosures to such Judiciary employees whose knowledge of the information is necessary to the performance of the Contract. Contractor shall limit access to the Confidential Information to Contractor’s Personnel who: 1) have a demonstrable need to know such Confidential Information in order to perform Contractor’s duties under the Contract and 2) have agreed with Contractor in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information. The names of Contractor’s Personnel are attached hereto and made a part hereof as Exhibit 1.
3. Contractor shall require each employee, agent, and subcontractor whose name appears on Exhibit 1 to sign a writing acknowledging receipt of a copy of , and agreeing to comply with the terms and conditions of, this Agreement. Subcontractors shall expressly agree to all of the terms applicable to Contractor. Accordingly, subcontractors must require their employees and agents to sign such a writing and must submit those individuals’ names to the Contractor

for inclusion on Exhibit 1. Upon the Procurement Officer's request, Contractor shall provide originals of all such writings to the AOC. Contractor and subcontractors shall update Exhibit 1 by adding additional names as needed and shall ensure that no employee or agent comes into contact with Confidential Information before that person has signed this Agreement. This Agreement shall not be construed to create an employment relationship between AOC and any of Contractor's or subcontractors' personnel.

4. If Contractor intends to disseminate any portion of the Confidential Information to non-employee agents who are assisting in Contractor's performance of the Contract or who will otherwise have a role in performing any aspect of the Contract, Contractor shall first obtain AOC Contract Manager's written consent to any such dissemination. AOC's Contract Manager may grant, deny, or condition any such consent, as it may deem appropriate in the Contract Manager's sole and absolute subjective discretion.

5. Contractor shall hold the Confidential Information in trust and in strictest confidence, adopt or establish operating procedures and physical security measures, take all other measures necessary to protect the Confidential Information from inadvertent release or disclosure to, or theft by, unauthorized third parties, and prevent all or any portion of the Confidential Information from falling into the public domain or into the possession of persons not bound to maintain the confidentiality of the Confidential Information.

6. Contractor shall promptly advise the AOC Contract Manager in writing if Contractor learns of any unauthorized use, misappropriation, or disclosure of the Confidential Information by any of Contractor's Personnel or the Contractor's former Personnel. Contractor shall, at its own expense, cooperate with AOC in seeking damages and/or injunctive or other equitable relief against any such person(s).

7. Upon the earlier of AOC's request or termination of the Contract, Contractor shall, at its own expense, return to the Contract Manager, all copies of the Confidential Information, no matter how formatted or stored, in Contractor's and/or Contractor's Personnel's care, custody, control or possession.

8. A breach of this Agreement by the Contractor or noncompliance by Contractor's Personnel with the terms of this Agreement shall also constitute a breach of the Contract. The termination of the Contract does not terminate Contractor's obligations under this Agreement.

9. Contractor acknowledges that any failure by the Contractor or Contractor's Personnel to abide by the terms of this Agreement may cause irreparable harm to the Judiciary and that monetary damages may be inadequate to compensate the Judiciary for such breach. Accordingly, the Contractor agrees that the AOC may, in addition to any other remedy available to AOC under Maryland and any applicable federal law, seek injunctive relief and/or liquidated damages of \$1,000 for each unauthorized disclosure. Contractor consents to personal jurisdiction in the Maryland State Courts and to the application of Maryland law, if AOC so elects in its sole discretion, irrespective of Maryland's conflict-of-law rules. If the Judiciary suffers any losses, damages, liabilities, expenses, or costs (including, by way of example only, attorneys' fees and disbursements) that are attributable, in whole or in part, to any failure by the Contractor or any of the Contractor's Personnel to comply with the requirements of this Agreement, the Contractor shall hold harmless and indemnify the Judiciary from and against any such losses, damages, liabilities, expenses, and/or costs.

10. The parties further agree that 1) Contractor's rights and obligations under this Agreement may not be assigned or delegated, by operation of law or otherwise, without AOC's prior written consent; 2) the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall be construed to provide the broadest possible protection against the disclosure of Judiciary information; 3) signatures exchanged by facsimile are effective for all purposes hereunder to the same extent as original signatures; and 4) the Recitals are not merely prefatory but are an integral part hereof.
