2.3.5 Renewal Orders in Option Years:

2.3.5.1 Within 120 days prior to the expiration of the contract resulting from this RFP, the Contractor shall provide to the Library Director or designee a list showing the renewal status for all titles. If the Library exercises its option to continue the contract for the following year, the Library will finalize the list and send it to the Contractor with the purchase order. At that time, the Library may elect to make deletions or substitutions based on a publisher's cessation or substantive modification of its periodicals.

2.3.6 Placing New Subscriptions:

2.3.6.1 The Library occasionally will ask the Contractor to place new subscriptions at any time during the year unless prohibited by the publisher.  - Certified true copies of any and all of the policies of insurance to AOC. By submitting a proposal in response to this solicitation, the offeror warrants that it is able to provide evidence of insurance required by RFP Section 2.

3.5 Volume II - Financial Proposal

- 3.5.1 Under separate sealed cover from the Technical Proposal and clearly identified with the same information noted on the Technical Proposal, the Offeror must submit an original unbound copy, four bound copies, and one electronic copy (in MS Word or Excel 2003 format) of the Financial Proposal in a separate envelope labeled as described in Section 3.3, of the Financial Proposal. The Financial Proposal must contain all price information in the format specified in Attachment D. Information which is claimed to be confidential is to be clearly identified in the Offeror's Financial Proposal. An explanation for each claim of confidentiality shall be included as part of the Financial Proposal. **This is a fixed price Contract; proposed prices are all inclusive and shall encompass all requirements of the RFP. The AOC will not pay for any additional charges or fees, including mailings, which are not itemized on the Price sheet. Price proposed will be the actual price paid by the AOC.**

SECTION 4 – EVALUATION CRITERIA AND SELECTION PROCEDURE

4.1 Evaluation Criteria

- 4.1.1 Evaluation of the proposals shall be performed by a committee organized for the purpose of analyzing the technical proposals. Evaluations shall be based on the criteria set forth below. The Contract resulting from this RFP shall be awarded to the Offeror that is most advantageous to the Judiciary, considering price and the evaluation factors set forth herein. In making this determination, technical factors shall receive greater weight than price factors.
- 4.1.2 The Offeror shall be evaluated on the proposed services according to the specifications outlined in this RFP.

4.2 Technical Criteria

- 4.2.1 The criteria to be applied to each technical proposal are listed in descending order of importance:
- Offeror Experience and Capabilities
 - Offeror Technical Response to RFP Requirements
 - References

4.3 Financial Criteria

All qualified Offerors will be ranked from the lowest to the highest price based on their total price proposed on Attachment D – Price Proposal.

4.4 Selection Process and Procedures

4.4.1 General Selection Process:

4.4.1.1 The Contract shall be awarded in accordance with the competitive sealed proposals process under Article IV. The competitive sealed proposals method is based on discussions and revision of proposals during these discussions.

4.4.1.2 Accordingly, the Judiciary may hold discussions with all Offerors judged reasonably susceptible of being selected for award, or potentially so. However, the Judiciary also reserves the right to make an award without holding discussions. In either case of holding discussions or not doing so, the Judiciary may determine an Offeror to be not responsible and/or not reasonably susceptible of being selected for award, at any time after the initial closing date for receipt of proposals and the review of those proposals.

4.4.2 Selection Process Sequence:

4.4.2.1 The first step in the process will be to assess compliance with the Offeror Minimum Qualifications set forth in Section 2 of the RFP. Offerors who fail to meet these basic requirements i.e. are qualified or potentially qualified will be disqualified and their proposals eliminated from further consideration.

- 4.4.2.2 The next step in the process will be an evaluation for technical merit. During this review oral presentations and discussions may be held with qualified or potentially qualified Offerors. The purpose of such discussions will be to assure a full understanding of the AOC requirements and the Offeror's ability to perform, and to facilitate arrival at a Contract that will be most advantageous to AOC. For scheduling purposes, Offerors should be prepared to make an oral presentation and participate in discussions within two weeks of the delivery of proposals to the AOC. The Procurement Officer will contact Offerors if and when the schedule is set by the AOC.
- 4.4.2.3 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their proposals made in the course of discussions. Any such written clarification or change then becomes part of the Offeror's proposal.
- 4.4.2.4 The financial proposal of each Offeror shall be evaluated separately from the technical evaluation. After a review of the financial proposals of Offerors, the Procurement Officer may again conduct discussions.
- 4.4.2.5 When in the best interest of the Judiciary, the Procurement Officer may permit Offerors who have submitted acceptable proposals to revise their initial proposals and submit, in writing, best and final offers (BAFOs).
- 4.4.2.6 Upon completion of all discussions and negotiations, reference checks, and site visits, if any, the Procurement Officer shall recommend award of the Contract to the responsible Offeror whose proposal is determined to be the most advantageous to the Judiciary considering evaluation and price factors as set forth in this RFP. In making the most advantageous Offeror determination, technical shall be given greater weight than price factors.

The Contractor must assert in writing its right to an adjustment under this section within thirty days (30) of receipt of a written change order

and include a written statement setting forth the nature and cost of such claim. No claim by the Contractor shall be allowed if asserted after final payment under this Contract.

The AOC, at its sole option, shall have the unilateral right to extend the contract for up to and including two additional successive one-year terms, if any.

Invoices submitted without the required information will not be processed for payment until the Contractor provides the requested information.
- 3.3 Payments to the Contractor for each deliverable shall be made no later than thirty days after the acceptance of the deliverable and receipt of a proper invoice from the Contractor. Charges for late payment of invoices are prohibited.
- 3.4 In addition to any other available remedies, if, in the opinion of the Procurement Officer, the Contractor fails to perform in a satisfactory and timely manner, the Procurement Officer may refuse or limit approval of any invoice for payment and may cause payments to the Contractor to be reduced or withheld until such time as the Contractor meets performance standards as established by the Procurement Officer in accordance with this Contract. The final Contract payment will not be made until after certification is received

from the Comptroller of the State that all taxes have been paid. Final payment shall not be construed as a waiver or termination of any rights and remedies available to AOC for any failure of Contractor to perform the Contract in a satisfactory and timely manner.

4. Warranties

The Contractor hereby represents and warrants that:

- 4.1 It is qualified to do business in the State of Maryland and that it will take such action as, from time to time, may be necessary to remain so qualified;
- 4.2 It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- 4.3 It shall comply with all federal, State and local laws applicable to its activities and obligations under this Contract;
- 4.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

5. Non-hiring of Employees

No employee of the State of Maryland or any unit hereof whose duties as such employee include matters relating to or affecting the subject matter of this Contract shall, while so employed, become or be an employee of the Contractor.

6. Non-employment of Contractor's employees

Nothing in this contract shall be construed to create an employment relationship between AOC and any employee of either the Contractor or Contractor's subcontractors. Contractor is responsible for the acts and omissions of its agents, employees, and subcontractors.

7. Disputes

Any claim regarding the proper interpretation of this Contract shall be submitted, in writing, to the Procurement Officer, together with a statement of grounds supporting the Contractor's interpretation. Pending resolution of a claim by the Procurement Officer, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision. An adverse decision to the Contractor may be appealed by the Contractor to the Appeals Board within 15 days of the Procurement Officer's decision.

8. Maryland Law

The place of performance of this Contract shall be the State of Maryland. This Contract shall be performed, construed, interpreted, and enforced according to the laws of the State of Maryland, including State Government Article § 12-204. No action relating to this contract shall be brought in any forum other than Maryland, whether or not the AOC and State are parties to such an action.

9. Amendments

Except as provided in section 2, any amendment to this Contract must first be approved in writing by the Procurement Officer, subject to any additional approvals required by State law and the Judiciary's Procurement Policy.

10. Non-discrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against any person because of race, color, religion, age, sex, marital status, national origin, disability, familial status, genetic information, and sexual orientation; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

11. Contingent Fee Prohibition

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the Contractor to solicit or secure this Contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide salesperson, or commercial selling agency, any fee or other consideration contingent on the making of this Contract.

12. Non-availability of Funding

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal year of this Contract succeeding the first fiscal year, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the AOC's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the AOC from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Contract. The AOC shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

13. Termination for Cause

If Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the AOC may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the AOC's option, become the AOC's property. The AOC shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination, and the AOC can affirmatively collect damages.

14. Termination for Convenience

The performance of work under this Contract may be terminated by the AOC in accordance with this clause in whole or, from time to time, in part whenever the AOC determines that such termination is in the AOC's best interest. The AOC will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination.

15. Delays and Extensions of Time

The Contractor agrees to perform this Contract continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances, regardless of cause, in the performance of services under this Contract. Time extensions may be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of an AOC contract, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or the delay of a subcontractor or supplier arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractor or supplier.

16. Suspension of Work

The AOC unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the AOC's convenience.

17. Pre-existing Regulations

21. Cost and Price Certification

By submitting cost or price information, the Contractor certified to the best of its knowledge that the information submitted was accurate, complete, and current as of **(enter the date of the financial proposal)**. The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of the financial proposal was inaccurate, incomplete, or not current.

22. Subcontracting and Assignment

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the Procurement Officer's prior written approval, nor may the Contractor assign this Contract, or any of its rights or obligations hereunder, without the Procurement Officer's prior written approval. Any such subcontract or assignment shall be subject to any terms and conditions that the Procurement Officer deems necessary to protect the interest of the State. The AOC shall not be responsible for the fulfillment of the Contractor's obligations to subcontractors.

23. Indemnification

23.1 The Contractor shall indemnify the AOC against liability for any suits, actions, or claims of any character arising from or relating to the performance of the Contractor or its subcontractors under this Contract.

23.2 The AOC has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim or action of any character is brought by any person not party to this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.

- 23.3 The AOC has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 23.4 The Contractor shall immediately notify the Procurement Officer of any claim, suit or action made or filed against the Contractor or its subcontractors regarding any matter resulting from or relating to the Contractor's obligations under the Contract, and shall cooperate, assist and consult with the AOC in the defense or investigation of any such claim, suit, or action.

24. Public Information Act Notice

If a request is made to review any records pertaining to this contract, the Contractor may be contacted, as circumstances allow, to express its views on the availability of requested information. The final decision on release of any information rests with the AOC.

25. Conflict of Interest

- 25.1 "Conflict of interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the State or the AOC, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. "Conflict of interest" includes pending litigation in the Maryland courts.
- 25.2 "Person" includes a contractor, consultant, or subcontractor or subconsultant at any tier, and also includes an employee or agent of any of them if the employee or agent has or will have the authority to control or supervise all or a portion of the work for which a bid or offer is made.
- 25.3 The Contractor warrants that, except as disclosed in § D, below, there are no relevant facts or circumstances now giving rise or which could, in the future, give rise to a conflict of interest.
- 25.4 The following facts or circumstances give rise or could in the future give rise to a conflict of interest (Contractor: explain details-attach additional sheets if necessary; **if none, so state**):

25.5 The Contractor agrees that if an actual or potential conflict of interest arises after the contract commences, the Contractor shall immediately make a full disclosure in writing to the Procurement Officer of all relevant facts and circumstances. This disclosure shall include a description of actions which the Contractor has taken and proposes to take to avoid, mitigate, or neutralize the actual or potential conflict of interest. If the contract has been awarded and performance of the contract has begun, the contractor shall continue performance until notified by the Procurement Officer of any contrary action to be taken. The existence of a conflict of interest is cause for termination of the Contract as well as disciplinary action against an employee for whom a conflict exists.

I HEREBY AFFIRM THAT:

I, _____ (print name), possess the legal authority to make this Affidavit.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned bidder hereby certifies and agrees that the following information is correct: In preparing its bid on this project, the bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in §19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland.

"Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid. As part of its bid or proposal, the bidder herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the bidder discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES

The undersigned bidder hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, §14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a bid or proposal and:

(1) Fail to request, receive, or otherwise obtain authorization from the certified minority business enterprise to identify the certified minority proposal;

- (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the bid or proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the bid or proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid.
