- All Contractor personnel shall follow all applicable Judiciary and State security policies, laws, and regulations while working on the project.
- The Contractor shall coordinate staff on-site visitations with Judiciary staff.
- In the event of a security incident or suspected security incident, Contractor staff and users shall notify the JIS's Chief Information Security Officer (CISO) for investigation. The Contractor shall cooperate fully in all security incident investigations.
- Access rights of a Contractor employee will be updated within 24 hours of notification to the JIS of a change in status. Contractor shall immediately notify the ERP PM of any change in the employment status of Contractor's or subcontractor's employees and, upon termination of any employee, immediately sever that employee's access to the Judiciary's premises and systems.
- The Contractor shall comply with and adhere to the JIS Security Policy and Standards. These policies may be revised from time to time and the Contractor shall comply with all such revisions. Current and revised versions of the security policy are available on-line at: <http://mdcourts.gov/aoc/pdfs/jis-securitypolicystandards.pdf>. The JIS reserves the right to monitor computer usage for compliance with its policies.

- The Contractor shall not connect any Contractor owned equipment to any AOC LAN/WAN without prior written approval from the ERP PM. The AOC will provide access to the JIS network as required in support of the scan.
- The authorized Contractor staff will be given secured remote access privileges into the AOC system needed to the extent that remote access privileges are granted by the ERP PM. To ensure compliance with the JIS access security policies, the configuration of remote access into AOC will be accomplished by the AOC's JIS staff to include an audit of the Contractor's remote site. The AOC's JIS staff will monitor all remote access activities.
- The Contractor shall have the ability to remotely access their hardware and software for error/failure notifications as appropriate. Contractors may only use approved hardware or software to remotely accessing IT systems. The ERP PM must give prior written approval for the software used, and for the method of the secured technical environment prior to this capability being activated.
- The Contractor's personnel shall complete all required paperwork for security access to IT systems as directed and coordinated with the IT department and ERP PM.
- The Contractor shall obtain a Criminal Justice Information System (CJIS) State and Federal criminal background check, including fingerprinting, for each employee performing services under the Contract. This background check must be performed by a public or private entity. A successful CJIS State criminal background check shall be completed prior to any Contractor employee providing services on site at any location covered by this Contract. The AOC reserves the right to refuse to allow any Contractor's employee to work on State premises, based upon criminal record.
- All Contractor personnel assigned to work on this project shall submit to a fingerprint based criminal history background check prior to starting work and may be subject to rejection as the result of the check. The CM will approve in writing any Contractor personnel assigned to work on this project before the performance of work.
- All Contractor personnel assigned to this project shall be monitored throughout the life cycle of this project and shall consent to such monitoring. Contractor's detection of any unlawful conduct must be reported to the CM immediately for resolution.
- The Contractor shall implement a process for authorized employees to access the ERP application, which must be approved by the AOC. In the event that any authorized Contractor employee no longer requires access to the ERP system, the Contractor must notify the AOC site security coordinator. The Contractor will be responsible for verifying the list of authorized employees on a monthly basis.
- Situations that require Contractor employees to make "on site" visitations will need to be planned and coordinated with the ERP PM.
- Any individual who is an employee or agent of the Contractor or any subcontractor shall display his or her company badges at all times while on Judiciary premises. Each such

employee or agent upon request of Judiciary personnel shall provide additional photo identification.

- The AOC CM may impose additional restrictive conditions regarding the nature of prior criminal convictions and pending criminal charges that would result in an employee of Contractor not being permitted to work on Judiciary's premises. Upon receipt of the Judiciary's more restrictive conditions regarding criminal convictions, the Contractor shall provide an updated certification to the Judiciary regarding the personnel working at or assigned to the Judiciary's premises. Contractor must notify the AOC CM of all charges filed against any employee or subcontractor's employee during this project.

- Volume I - TECHNICAL PROPOSAL
  - Volume II - FINANCIAL PROPOSAL

### 3.2 Proposals

- 3.2.1 Volume I-Technical Proposal, must be sealed separately from Volume II-Financial Proposal, but submitted simultaneously to the Procurement Officer (address listed in Section 1.5 of this RFP).
- 3.2.2 An unbound original, so identified, and 3copies of each volume are to be submitted. An electronic version of both the Volume I- Technical Proposal in MS Word format and the Volume II- Financial Proposal in MS Excel format must also be submitted with the unbound originals technical or financial volumes, as appropriate.
- 3.2.3 Electronic media shall be a CD and bear a label with the RFP title and number, name of the Offeror, and the volume number (I or II).

### 3.3 Submission

- 3.3.1 Each Offeror is required to submit a separate sealed package for each "Volume", which is to be labeled Volume I-Technical Proposal and Volume II-Financial Proposal, respectively. **Each sealed package must bear the RFP title and number, name and address of the Offeror, the volume number (I or II), and the closing date and time for receipt of the proposals on the outside of the package.**
- 3.3.2 All pages of both proposal volumes must be consecutively numbered from beginning (Page 1) to end (Page “x”).

### 3.4 Volume I – Technical Proposal

- 3.4.1 Transmittal Letter: A transmittal letter must accompany the technical proposal. The purpose of this letter is to transmit the proposal and acknowledge the receipt of any addenda. The transmittal letter shall be brief and signed by an individual who is authorized to commit the Offeror to the services and requirements as stated in this RFP. Only one transmittal letter is needed and it does not need to be bound with the technical proposal.
- 3.4.2 Format of Technical Proposal: Inside the sealed package described in Section 3.3, above, an unbound original, to be so labeled, 3 paper copies and one electronic version shall be enclosed. Section 2 of this RFP provides requirements and Section 3 provides reply instructions. The paragraphs in these RFP sections are numbered for ease of reference. In addition to the instructions below, the Offeror’s technical proposals shall be organized and numbered in the same order as this RFP. This proposal organization shall allow Judiciary officials and the Evaluation Committee to “map” Offeror responses directly to RFP requirements by paragraph number. The technical proposal shall include the following sections in the stated order:
- 3.4.3 Title and Table of Contents: The technical proposal shall begin with a title page bearing the name and address of the Offeror and the name and number of this RFP. A table of contents for the technical proposal should follow the title page. Note: Information that is claimed to be confidential under RFP Section 1.19 is to be printed on yellow paper and

placed after the Title Page and before the Table of Contents in the Offeror's Technical Proposal, and if applicable, also in its Financial Proposal. Unless there is a compelling case, an entire proposal should not be labeled confidential but just those portions that can reasonably be shown to be proprietary or confidential.

3.4.4 Executive Summary: The Offeror shall condense and highlight the contents of the technical proposal in a separate section titled "Executive Summary." The summary shall also identify any exceptions the Offeror has taken to the requirements of this RFP, the Contract (Attachment A), or any other attachments. Exceptions to terms and conditions may result in having the proposal deemed unacceptable or classified as not reasonably susceptible of being selected for award. If an Offeror takes no exception to the Judiciary's terms and conditions, the Executive Summary should so state.

3.4.5 Offeror Technical Response to RFP Requirements:

3.4.6.1 General. The Offeror shall address each RFP requirement in the Technical Proposal and describe how its proposals to meet those requirements. If the Judiciary is seeking Offeror agreement to a requirement, the Offeror shall state agreement or disagreement. Any paragraph that responds to a work requirement shall not merely rely on a stated agreement to perform the requested work; but rather, the Offeror should outline how the Offeror can fulfill the requested tasks in a manner that best meets the Judiciary's needs.

3.4.6 Offeror Experience and Capabilities: Offerors shall include information on past experience with similar requirements. Offerors shall describe their experience and capabilities through a response to the following:

3.4.6.1 An overview of the Offeror's experience providing the services, as applicable, to those included in this RFP. This description shall include:

- a) Resume of key personnel dedicated to this project.  
Detailed description of six comparable projects.

3.4.7 References. Provide four (4) customer references related to 2.3 Quality Assurance. Provide the following information for each client reference:

- Name of Client Organization
- Name, title, and telephone number of Point-of-Contact for client organization
- Value, type, and duration of contract(s) supporting client organization
- The services provided, scope of the contract, geographic area being supported, and performance objectives satisfied, and number of employees serviced

3.4.8 Financial Capability and Insurance: The Offeror shall include the following, for itself, and, as applicable, for any parent organization or subsidiary as referenced under RFP Section 2.5:

3.4.8.1 Evidence that the Offeror has the financial capacity to provide the goods and/or services, as described in its proposal, via profit and loss statements and balance sheets for the last two years.

3.4.8.2 A copy of the Offeror's current certificates of insurance (property, casualty and liability), which, at a minimum, shall contain the following:

- Carrier (name and address)

- Type of insurance
- Amount of coverage
- Period covered by insurance
- Exclusions

3.4.9 Subcontractors: Offerors must identify non-MBE subcontractors, if any, and the role these subcontractors shall have in the performance of the Contract.

3.4.10 Required Affidavits, Schedules and Documents to be submitted by Offeror in the Technical Proposal:

- Completed Bid/Proposal Affidavit (Attachment B – with original of Technical Proposal)
- Applicable Insurance Policy copy. By submitting a proposal in response to this solicitation, the offeror warrants that it is able to provide evidence of insurance required by RFP Section 2.

### **3.5 Volume II - Financial Proposal**

3.5.1 Under separate sealed cover from the Technical Proposal and clearly identified with the same information noted on the Technical Proposal, the Offeror must submit an original unbound copy, nine bound copies, and one electronic copy (in MS Excel 2003 format) of the Financial Proposal in a separate envelope labeled as described in Section 3.3, of the Financial Proposal. The Financial Proposal must contain all price information in the format specified in Attachment E. Information which is claimed to be confidential is to be clearly identified in the Offeror's Financial Proposal. An explanation for each claim of confidentiality shall be included as part of the Financial Proposal. This is a fixed price Contract; prices are all inclusive and shall encompass all requirements in the RFP.

## SECTION 4 – EVALUATION CRITERIA AND SELECTION PROCEDURE

### 4.1 Evaluation Criteria

- 4.1.1 Evaluation of the proposals shall be performed by a committee organized for the purpose of analyzing the technical proposals. Evaluations shall be based on the criteria set forth below. The Contract resulting from this RFP shall be awarded to the Offeror that is most advantageous to the Judiciary, considering price and the evaluation factors set forth herein. In making this determination, technical factors shall receive greater weight than price factors.
- 4.1.2 The Offeror shall be evaluated on the proposed services according to the specifications outlined in this RFP.

### 4.2 Technical Criteria

- 4.2.1 The criteria to be applied to each technical proposal are listed in descending order of importance:
- Offeror Technical Response to RFP Requirements (RFP Section 3.4.5).
  - Offeror Experience and Capabilities (RFP Section 3.4.6)
  - References (RFP Sections 3.4.7 and 3.4.9)

### 4.3 Financial Criteria

All qualified Offerors will be ranked from the lowest to the highest price based on their total price proposed on Attachment E – Price Proposal.

### 4.5 Selection Process and Procedures

#### 4.5.1 General Selection Process:

- 4.5.1.1 The Contract shall be awarded in accordance with the competitive sealed proposals process under Procurement Policy. The competitive sealed proposals method is based on discussions and revision of proposals during these discussions.
- 4.5.1.2 Accordingly, the Judiciary may hold discussions with all Offerors judged reasonably susceptible of being selected for award, or potentially so. However, the Judiciary also reserves the right to make an award without holding discussions. In either case of holding discussions or not doing so, the Judiciary may determine an Offeror to be not responsible and/or not reasonably susceptible of being selected for award, at any time after the initial closing date for receipt of proposals and the review of those proposals.

#### 4.5.2 Selection Process Sequence:

- 4.5.2.1 The first level of review shall be an evaluation for technical merit by the selection committee. During this review, oral presentations and discussions may be held. The purpose of such discussions shall be to assure a full understanding of the Judiciary's requirements and the Offeror's ability to perform, and to facilitate understanding of the Contract that shall be most advantageous to the Judiciary.

- 4.5.2.2 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their proposals made in the course of discussions. Any such written clarification or change then becomes part of the Offeror's proposal.
- 4.5.2.3 The financial proposal of each Offeror shall be evaluated separately from the technical evaluation. After a review of the financial proposals of Offerors, the Procurement Officer may again conduct discussions.
- 4.5.2.4 When in the best interest of the Judiciary, the Procurement Officer may permit Offerors who have submitted acceptable proposals to revise their initial proposals and submit, in writing, best and final offers (BAFOs).
- 4.5.2.5 Upon completion of all discussions and negotiations, reference checks, and site visits, if any, the Procurement Officer shall recommend award of the Contract to the responsible Offeror whose proposal is determined to be the most advantageous to the Judiciary considering evaluation and price factors as set forth in this RFP. In making the most advantageous Offeror determination, technical shall be given greater weight than price factors.

In consideration of the mutual covenants and promises herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the AOC and the Contractor agree as follows:

**1. Scope of Contract**

1.1 The Contractor shall provide \_\_\_\_\_ (hereinafter “Services”), and other deliverables in accordance with the terms and conditions of this Contract and the following Exhibits, which are attached to this Contract and incorporated as part of this Contract:

Exhibit A: Contract Affidavit

Exhibit C: Contractor’s Proposal dated **date of response** dated \_\_\_\_\_ 2016 (collectively referred to as “the Proposal”)

1.2 If there are any inconsistencies between the contract and any of the Exhibits, the terms of this Contract shall prevail.

1.3 The Procurement Officer may, at any time, by written order make changes in the work within the general scope of the Contract. No other order, statement, or conduct of the Procurement Officer or of any other person shall be treated as a change or entitle the Contractor to an equitable adjustment under this section.

1.4 Except as otherwise provided in this Contract, if any order causes an increase or decrease in the Contractor’s cost of, or the time required for, the performance of any part of the work, an equitable adjustment in the Contract price shall be made and the Contract modified in writing accordingly. The Contractor must assert in writing its right to an adjustment under this section within thirty days (30) of receipt of a written change order and include a written statement setting forth the nature and cost of such claim. No claim by the Contractor shall be allowed if asserted after final payment under this Contract.

- 1.5 Failure to agree to an adjustment under this section shall be a dispute under the Disputes clause. Nothing in this section shall excuse the Contractor from proceeding with the Contract as changed.

## **2. Term of the Contract**

Unless the Contract is terminated earlier as provided herein, the term of the Contract is the period beginning on **month/ day/, 2016** and ending on **month/day/year**.

## **3. Consideration and Payment**

- 3.1 In consideration of the satisfactory performance of the **Services**, the AOC shall pay the Contractor in accordance with the terms of this Contract and at the rate specified in the Proposal. Except with the express written consent of the Procurement Officer, total payments to the Contractor pursuant to the original form of this Contract may not exceed **\$.....** (the “NTE Amount”).
- 3.2 All invoices shall be submitted within 30 calendar days after the completion and acceptance by the AOC for each deliverable and include the following information: name and address of the AOC; vendor name; remittance address; federal taxpayer identification or (if owned by an individual) his/her social security number; invoice period; invoice date; invoice number; amount due; retainage (if applicable), and the deliverable ID number for the deliverable being invoiced. Additional information may be required in the future. Invoices submitted without the required information will not be processed for payment until the Contractor provides the requested information.
- 3.3 Payments to the Contractor for each deliverable shall be made no later than thirty days after the acceptance of the deliverable and receipt of a proper invoice from the Contractor. Charges for late payment of invoices are prohibited.
- 3.4 In addition to any other available remedies, if, in the opinion of the Procurement Officer, the Contractor fails to perform in a satisfactory and timely manner, the Procurement Officer may refuse or limit approval of any invoice for payment and may cause payments to the Contractor to be reduced or withheld until such time as the Contractor meets performance standards as established by the Procurement Officer in accordance with this Contract. The final Contract payment will not be made until after certification is received from the Comptroller of the State that all taxes have been paid. Final payment shall not be construed as a waiver or termination of any rights and remedies available to AOC for any failure of Contractor to perform the Contract in a satisfactory and timely manner.

#### **4. Warranties**

The Contractor hereby represents and warrants that:

- 4.1 It is qualified to do business in the State of Maryland and that it will take such action as, from time to time, may be necessary to remain so qualified;
- 4.2 It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- 4.3 It shall comply with all federal, State and local laws applicable to its activities and obligations under this Contract;
- 4.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

#### **5. Non-hiring of Employees**

No employee of the State of Maryland or any unit hereof whose duties as such employee include matters relating to or affecting the subject matter of this Contract shall, while so employed, become or be an employee of the Contractor.

#### **6. Non-employment of Contractor's employees**

Nothing in this contract shall be construed to create an employment relationship between AOC and any employee of either the Contractor or Contractor's subcontractors. Contractor is responsible for the acts and omissions of its agents, employees, and subcontractors.

#### **7. Disputes**

Any claim regarding the proper interpretation of this Contract shall be submitted, in writing, to the Procurement Officer, together with a statement of grounds supporting the Contractor's interpretation. Pending resolution of a claim by the Procurement Officer, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision. An adverse decision to the Contractor may be appealed by the Contractor to the Appeals Board within 15 days of the Procurement Officer's decision.

#### **8. Maryland Law**

The place of performance of this Contract shall be the State of Maryland. This Contract shall be performed, construed, interpreted, and enforced according to the laws of the State of Maryland, including State Government Article § 12-204. No action relating to this contract shall be brought in any forum other than Maryland, whether or not the AOC and State are parties to such an action.

## **9. Amendments**

Except as provided in section 2, any amendment to this Contract must first be approved in writing by the Procurement Officer, subject to any additional approvals required by State law and the Judiciary's Procurement Policy.

## **10. Non-discrimination in Employment**

The Contractor agrees: (a) not to discriminate in any manner against any person because of race, color, religion, age, sex, marital status, national origin, *physical or mental* disability, familial status, genetic information, *gender identity or expression*, sexual orientation, *or any other characteristic protected by State or federal law*; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

## **11. Contingent Fee Prohibition**

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the Contractor to solicit or secure this Contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide salesperson, or commercial selling agency, any fee or other consideration contingent on the making of this Contract.

## **12. Non-availability of Funding**

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal year of this Contract succeeding the first fiscal year, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the AOC's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the AOC from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Contract. The AOC shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

## **13. Termination for Cause**

If Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the AOC may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the AOC's option, become the AOC's property. The AOC shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination, and the AOC can affirmatively collect damages.

#### **14. Termination for Convenience**

The performance of work under this Contract may be terminated by the AOC in accordance with this clause in whole or, from time to time, in part whenever the AOC determines that such termination is in the AOC's best interest. The AOC will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination.

#### **15. Delays and Extensions of Time**

The Contractor agrees to perform this Contract continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances, regardless of cause, in the performance of services under this Contract. Time extensions may be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of an AOC contract, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or the delay of a subcontractor or supplier arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractor or supplier.

#### **16. Suspension of Work**

The AOC unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the AOC's convenience.

## **21. Liability for Loss of Data**

In the event of loss of any data or records necessary for the performance of this Contract, which such loss is due to the error or negligence of the Contractor, the Contractor shall be responsible, irrespective of cost to the Contractor, for recreating all such lost data or records in a manner, format, and time-frame acceptable to the AOC.

## **22. Cost and Price Certification**

By submitting cost or price information, the Contractor certified to the best of its knowledge that the information submitted was accurate, complete, and current as of **(enter the date of the financial proposal)**. The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of the financial proposal was inaccurate, incomplete, or not current.

## **23. Subcontracting and Assignment**

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the Procurement Officer's prior written approval, nor may the Contractor assign this Contract, or any of its rights or obligations hereunder, without the Procurement Officer's prior written approval. Any such subcontract or assignment shall be subject to any terms and conditions that the Procurement Officer deems necessary to protect the interest of the State. The AOC shall not be responsible for the fulfillment of the Contractor's obligations to subcontractors.

- 24.3 The AOC has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 24.4 The Contractor shall immediately notify the Procurement Officer of any claim, suit or action made or filed against the Contractor or its subcontractors regarding any matter resulting from or relating to the Contractor's obligations under the Contract, and shall cooperate, assist and consult with the AOC in the defense or investigation of any such claim, suit, or action.

## **25. Public Information Act Notice**

The AOC provides public access to records in accordance with General Provision Article 4-101, and other laws relating to access to public records, including Maryland Rules of Procedure, Rules 16-1001 through 16-1011. If a request is made to review any records pertaining to this contract, the Contractor may be contacted, as circumstances allow, to express its views on the availability of requested information. The final decision on release of any information rests with the AOC.

## **26. Conflict of Interest**

- 26.1 "Conflict of interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the State or the AOC, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. "Conflict of interest" includes pending litigation in the Maryland courts.
- 26.2 "Person" includes a contractor, consultant, or subcontractor or subconsultant at any tier, and also includes an employee or agent of any of them if the employee or agent has or will have the authority to control or supervise all or a portion of the work for which a bid or offer is made.
- 26.3 The Contractor warrants that, except as disclosed in § D, below, there are no relevant facts or circumstances now giving rise or which could, in the future, give rise to a conflict of interest.
- 26.4 The following facts or circumstances give rise or could in the future give rise to a conflict of interest (Contractor: explain details-attach additional sheets if necessary; **if none, so state**):

- 
- 26.5 The Contractor agrees that if an actual or potential conflict of interest arises after the contract commences, the Contractor shall immediately make a full disclosure in writing to the Procurement Officer of all relevant facts and circumstances. This disclosure shall include a description of actions which the Contractor has taken and proposes to take to avoid, mitigate, or neutralize the actual or potential conflict of interest. If the contract has been awarded and performance of the contract has begun, the contractor shall continue performance until notified by the Procurement Officer of any contrary action to be taken. The existence of a conflict of interest is cause for termination of the Contract as well as disciplinary action against an employee for whom a conflict exists.

I HEREBY AFFIRM THAT:

I, \_\_\_\_\_ (print name), possess the legal authority to make this Affidavit.

**B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION**

The undersigned bidder hereby certifies and agrees that the following information is correct: In preparing its bid on this project, the bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in §19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland.

"Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid. As part of its bid or proposal, the bidder herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the bidder discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder agrees to comply in all respects with the State's Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

**B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES**

The undersigned bidder hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, §14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a bid or proposal and:

- (1) Fail to request, receive, or otherwise obtain authorization from the certified minority business enterprise to identify the certified minority proposal;
- (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the bid or proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the bid or proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid.

## ATTACHMENT F – NON-DISCLOSURE AGREEMENT

Project # K16-0034-29

**THIS NON-DISCLOSURE AGREEMENT** (“Agreement”) is made as of this \_\_\_\_ day of \_\_\_\_\_, 201\_, by and between Administrative Office of the Courts (“AOC”) and \_\_\_\_\_ (Contractor”), a corporation with its principal business office located at \_\_\_\_\_ and its principal office in Maryland located at \_\_\_\_\_.

### RECITALS

**WHEREAS**, the Contractor and AOC have entered into Contract No. **K16-0034-29** (the “Contract”); and

**WHEREAS**, in order for Contractor to perform the work required under the Contract, or in the course of that work, the Contractor, the Contractor’s subcontractors, and the Contractor’s and subcontractors’ employees and agents (**collectively the “Contractor’s Personnel”**) may come into contact with information maintained or held by the Judicial branch of the Maryland government, including the AOC and all courts, units and departments (**collectively “the Judiciary”**; and

**WHEREAS**, the Judiciary, in order to comply with the law, fulfill its various missions, and enhance the safety of participants in the judicial process, must ensure the confidentiality of certain information, and, to that end, must act as the sole entity with the authority to determine which information held by the Judiciary may be disclosed to persons or entities outside of the Judiciary; and

**WHEREAS**, Contractor acknowledges that Contractor’s compliance with this Agreement is a condition of doing business with AOC,

**NOW, THEREFORE**, Contractor agrees as follows:

1. “Confidential Information” includes any and all information provided by or made available by the Judiciary to Contractor’s Personnel in connection with the Contract, regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such or disclosed deliberately or inadvertently. Such information is Confidential Information, whether or not its contents may also be gathered from other sources, or may subsequently be disseminated to the public. Confidential Information includes, by way of example only, information that the Contractor’s Personnel sees, views, hears, takes notes from, copies, possesses or is otherwise provided access to and use of by the Judiciary, whether the information relates to the Contract or the Contract has placed the Contractor’s Personnel in the position to receive the information. Confidential information further includes information both held by the Judiciary and derived or created from information held by the Judiciary.
2. Contractor’s Personnel shall not, without the AOC’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information, except for the sole and exclusive purpose of performing under the Contract and except for disclosures to such Judiciary employees whose knowledge of the information is necessary to the performance of the Contract. Contractor shall limit access to the Confidential Information to Contractor’s Personnel who: 1) have a demonstrable need to know such Confidential Information in order to perform Contractor’s duties under the Contract and 2) have agreed with Contractor in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information. The names of Contractor’s Personnel are attached hereto and made a part hereof as Exhibit 1.
3. Contractor shall require each employee, agent, and subcontractor whose name appears on Exhibit 1 to sign a writing acknowledging receipt of a copy of , and agreeing to comply with the terms and conditions of, this Agreement. Subcontractors shall expressly agree to all of the terms applicable to Contractor. Accordingly, subcontractors must require their employees and agents to sign such a writing and must submit those individuals’ names to the Contractor for inclusion on Exhibit 1. Upon the Procurement Officer’s request, Contractor shall provide originals of all such writings to the AOC. Contractor and subcontractors shall update Exhibit 1 by adding additional names as needed and shall ensure that no employee or agent comes into contact with Confidential Information before that person has signed

this Agreement. This Agreement shall not be construed to create an employment relationship between AOC and any of Contractor's or subcontractors' personnel.

4. If Contractor intends to disseminate any portion of the Confidential Information to non-employee agents who are assisting in Contractor's performance of the Contract or who will otherwise have a role in performing any aspect of the Contract, Contractor shall first obtain AOC Contract Manager's written consent to any such dissemination. AOC's Contract Manager may grant, deny, or condition any such consent, as it may deem appropriate in the Contract Manager's sole and absolute subjective discretion.

5. Contractor shall hold the Confidential Information in trust and in strictest confidence, adopt or establish operating procedures and physical security measures, take all other measures necessary to protect the Confidential Information from inadvertent release or disclosure to, or theft by, unauthorized third parties, and prevent all or any portion of the Confidential Information from falling into the public domain or into the possession of persons not bound to maintain the confidentiality of the Confidential Information.

6. Contractor shall promptly advise the AOC Contract Manager in writing if Contractor learns of any unauthorized use, misappropriation, or disclosure of the Confidential Information by any of Contractor's Personnel or the Contractor's former Personnel. Contractor shall, at its own expense, cooperate with AOC in seeking damages and/or injunctive or other equitable relief against any such person(s).

7. Upon the earlier of AOC's request or termination of the Contract, Contractor shall, at its own expense, return to the Contract Manager, all copies of the Confidential Information, no matter how formatted or stored, in Contractor's and/or Contractor's Personnel's care, custody, control or possession.

8. A breach of this Agreement by the Contractor or noncompliance by Contractor's Personnel with the terms of this Agreement shall also constitute a breach of the Contract. The termination of the Contract does not terminate Contractor's obligations under this Agreement.

9. Contractor acknowledges that any failure by the Contractor or Contractor's Personnel to abide by the terms of this Agreement may cause irreparable harm to the Judiciary and that monetary damages may be inadequate to compensate the Judiciary for such breach. Accordingly, the Contractor agrees that the AOC may, in addition to any other remedy available to AOC under Maryland and any applicable federal law, seek injunctive relief and/or liquidated damages of \$1,000 for each unauthorized disclosure. Contractor consents to personal jurisdiction in the Maryland State Courts and to the application of Maryland law, if AOC so elects in its sole discretion, irrespective of Maryland's conflict-of-law rules. If the Judiciary suffers any losses, damages, liabilities, expenses, or costs (including, by way of example only, attorneys' fees and disbursements) that are attributable, in whole or in part, to any failure by the Contractor or any of the Contractor's Personnel to comply with the requirements of this Agreement, the Contractor shall hold harmless and indemnify the Judiciary from and against any such losses, damages, liabilities, expenses, and/or costs.

10. The parties further agree that 1) Contractor's rights and obligations under this Agreement may not be assigned or delegated, by operation of law or otherwise, without AOC's prior written consent; 2) the invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall be construed to provide the broadest possible protection against the disclosure of Judiciary information; 3) signatures exchanged by facsimile are effective for all purposes hereunder to the same extent as original signatures; and 4) the Recitals are not merely prefatory but are an integral part hereof.
