22. Subcontracting and Assignment

The Contractor may subcontract any portion of the services provided under this Contract by obtaining the Procurement Officer's prior written approval. The Contractor may assign this Contract, or any of its rights or obligations hereunder, only with the Procurement Officer's prior written approval. 24. <u>Overtime</u>

Contractors shall be paid according to the IFB. If overtime pay is not provided for in the IFB, then the Contractor shall not be provided compensation for overtime unless otherwise agreed to in advance, in writing, by the Procurement Officer.

25. <u>Indemnification</u>

- 25.1. The Contractor shall hold harmless and indemnify the AOC from and against any and all losses, damages, claims, suits, actions, liabilities, and/or expenses, including, without limitation, attorneys' fees and costs and disbursements of any character that arise from, are in connection with or are attributable to the performance or nonperformance of the Contractor or its subcontractors under this contract.
- 25.2 The AOC has no obligation to provide legal counsel or defense to the Contractor or its subcontractors in the event that a suit, claim or action of any character is brought by any person not party to this Contract against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 25.3 The AOC has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 25.4 The Contractor shall immediately notify the Procurement Officer of any claim, suit or action made or filed against the Contractor or its subcontractors regarding any matter resulting from or relating to the Contractor's obligations under the Contract, and shall cooperate, assist and consult with the AOC in the defense or investigation of any such claim, suit, or action.

26. <u>Limitation of Liability</u>

Without prejudice to the AOC's right to pursue non-monetary remedies, Contractor shall be liable as follows:

- 26.1 For infringement of patents, trademarks, trade secrets, and copyrights, as provided in § 5 of this Contract;
- 26.2 For damages arising out of death or bodily injury or property damage, no limitation; and;
- 26.3 For all other claims, damages, loss, costs, expenses, suits or actions in any way related to this Contract, regardless of the form of such actions, the Contractor's liability shall not exceed five (5) times the NTE amount. Notwithstanding the foregoing, the Contractor's liability for third-party claims shall be unlimited.
- 26.4 For damages arising out of a cyber breach, defined as a breach resulting in actual or potential harm to the AOC's network, hardware, software, or other information systems.

27. <u>Public Access to Judicial Records</u>

The AOC provides public access to records in accordance with Title 16, Chapter 900 of the Maryland Rules. If a request is made to review any records pertaining to this contract, the Contractor may be contacted by the AOC, as circumstances allow, to express its views on the availability of requested information. The final decision on release of any information rests with the AOC.

28. <u>Conflict of Interest</u>

- 28.1 "Conflict of interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the State or the AOC, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. "Conflict of interest" includes pending litigation in the Maryland courts.
- 28.2 "Person" includes a contractor, consultant, or subcontractor or sub consultant at any tier, and also includes an employee or agent of any of them if the employee or agent has or will have the authority to control or supervise all or a portion of the work for which a bid or offer is made.
- 28.3 The Contractor warrants that, except as disclosed in Section 28.4 below, there are no relevant facts or circumstances now giving rise or which could, in the future, give rise to a conflict of interest.
- 28.4 The following facts or circumstances give rise or could in the future give rise to a conflict of interest (Contractor: explain details-attach additional sheets if necessary); **if none, so state:**

^{28.5} The Contractor agrees that if an actual or potential conflict of interest arises after the Contract commences, the Contractor shall immediately make a full disclosure in writing to the Procurement Officer of all relevant facts and circumstances. This disclosure shall include a description of actions which the Contractor has taken and proposes to take to avoid, mitigate, or neutralize the actual or potential conflict of interest. If the Contract has been awarded and performance of the Contract has begun, the Contractor shall continue performance until notified

by the Procurement Officer of any contrary action to be taken. The existence of a conflict of interest is cause for termination of the Contract as well as disciplinary action against an employee for whom a conflict exists.

29. <u>Ownership and Rights in Data</u>

- 29.1 In addition to the requirements stated in the IFB, the Contractor agrees to furnish the AOC with copies of the following: computations, computer files, data, model(s), transmittal letters, response letters, training materials, and all other documents or correspondence pertinent to the operation of [insert type of Goods or Services].
- 29.2 The AOC shall be the owner of all materials developed under this Contract and shall be entitled to use, transfer, disclose, and copy them in any manner, without restriction and without compensation to the Contractor. Without the AOC's prior written consent, Contractor may neither use, execute, reproduce, display, perform, distribute (internally or externally), retain copies of, or prepare derivative works based on, these Materials nor authorize others to perform those acts.
- 29.3 The Contractor agrees that, at all times during the terms of this Contract and thereafter, all materials developed under this Contract, shall be "works for hire" as that term is interpreted under U.S. copyright law. To the extent that any of these materials are not works for hire for the AOC, the Contractor hereby relinquishes, transfers, and assigns to the AOC all of its rights, title, and interest (including all intellectual property rights) in such materials, and shall cooperate with the AOC in effectuating and registering any necessary assignments.
