Hello CONNECTors!

As we discussed in the CONNECTors Network Meeting on June 16, we are beginning to use the CONNECTors section of the CONNECT website on CourtNet (<http://courtnet/index.html>). [See attached PDF with screen shot]

We now have some materials there that we would like you to be able to access. This section is intended just for the CONNECTors and is password protected; therefore, you will need to use the following credentials exactly as they are written below:

User name = **connector**
Password = **connectproject**

In addition to the presentation file from the June meeting, you will find a link titled "CONNECT Fundamentals Online Course". [See attached PDF with screen shot] This is the UPK learning module that we demonstrated during the meeting.

We urge you to review this module at your earliest opportunity. This UPK will give you valuable overview and insight into CONNECT. Additionally, you will become familiar with how to use and navigate a UPK learning module, which is how we will deliver all of the end user training.

We will continue to populate the CONNECTors section of the website as a means of providing you with materials and information in your role as a CONNECTor - our agents of change.

Please feel free to email us at connect@mdcourt.gov with any questions you have.

Sincerely,
Mark

P. Mark McGonigle
