

CIRCUIT COURT FOR HARFORD COUNTY

REVISED June 22, 2021

COVID-19 Court Re-Opening Plan

Phase V: April 26, 2021

The Circuit Court for Harford County has a responsibility to ensure the health and safety of all individuals entering the Courthouse.¹ This includes Courthouse employees and occupants, attorneys, litigants, and visitors. In light of this responsibility and in accordance with the Amended Administrative Order Expanding Statewide Judiciary Operations In Light of the COVID-19 Emergency issued by Chief Judge Mary Ellen Barbera of the Court of Appeals of Maryland on February 16, 2021 (hereafter “Amended Administrative Order”), this Court will proceed to Phase V of the reopening of the Courthouse on April 26, 2021.

GENERAL

All persons entering the building must submit to a temperature check with a no-contact thermometer and must answer screening questions related to COVID-19 symptoms. *See* Attachment A. In addition, per the [Eighth Administrative Order Clarifying COVID-19 Health Measures in Courthouses and Judicial Branch Facilities](#), all judicial employees, including judges, and visitors over the age of two who are fully vaccinated may enter courthouses and judiciary facilities without face masks, unless the administrative judge or state court administrator determines there are certain settings that may require them. Those who have not been vaccinated must continue to wear face masks and maintain social distancing.

Any person who exhibits now known symptoms of the Coronavirus or does not maintain social distancing protocols, or who does not otherwise follow the safety and security directives of Security Officers will be denied entrance to the Courthouse, or will be required to leave the Courthouse. If, as a result of the screening process a person is denied entry, or is otherwise required to leave the Courthouse, that person will be provided information regarding alternative means to address the purpose of that person’s intended visit to the Court. *See* Attachment B.

On a frequent and ongoing basis, the Courthouse will be sanitized to maintain appropriate hygiene/cleaning standards recommended to prevent transmission of the Coronavirus. All public areas of the Courthouse, including courtrooms, also will be marked to promote social distancing. On a case by case basis a judge or magistrate presiding over a hearing may implement any other appropriate precautions to protect against transmission of the Coronavirus in a courtroom.

¹ This responsibility is not an admission of liability for tort claims or otherwise on the part of the Court or the Maryland Judiciary.
