PHASE V – Update beginning September 1, 2021

The judiciary began Phase V on April 26, 2021.

SCREENING PROTOCOLS

To enter the building, everyone will be subjected to the following screening protocols:

2. Each person must answer a questionnaire with CDC questions and have a no-contact temperature check. A reading of 100.4* will trigger denial of access to the building.

Social Distancing will be enforced. Bailiffs have the right to delay or deny access to the building and/or courtroom if safe social distancing cannot be maintained.

There is limited space in the hallways; 6' spacing will be enforced.

COVID QUESTIONNAIRE

To gain faster access into the Court building:

Copy the COVID questionnaire and fill it out before entering the building. Have your client do the same. The questionnaire is in English and Spanish. Be prepared to have your temperature taken upon entering the building.

This questionnaire is very important. We are trying to keep our staff and the public safe. If someone tests positive, this questionnaire will be used for contact tracing. The health department will know who may have had contact with someone infected. Having your phone number will allow you to be notified so that you and your family can be kept safe.

The health and safety of our employees and the public is paramount to the judiciary.

Please understand that the bailiffs may have to ask people to delay entering the courtroom or court building. This is for the safety of our staff and the public.

Thank you for your patience and cooperation.
