  Example: An invoice is received and dated March 15, 2015 from the Office Supply Network without a specific invoice number provided. The user should enter the invoice number as 20150315OSN.

  **Note:** Where hyphenated or multiple last names are used, the last “last name” is to be utilized in the invoice number for all invoices.

  Example: John Andrews-Sanders, invoice number would utilize the initials JS. Andy Jon De Smith, invoice number would utilize the initials AS.
