

FY17 Special Conditions for Court Appointed Special Advocate (CASA) Grants

1. Overview of the Court Appointed Special Advocate (CASA) Program

The Court Appointed Special Advocate (CASA) Program was authorized to operate in Maryland, subject to approved Rules and Guidelines, by the 1989 adoption of Courts and Judicial Proceedings Article §3-830. The Annotated Code of Maryland states that the role of the Court Appointed Special Advocate is to:

- Provide the court with background information to aid the court in making decisions in the child's best interest; and
- Ensure that the child is provided appropriate case Start-Up and services.

The Department of Family Administration (DFA) awards CASA grants to support these programs, which are designed to ensure that children are provided a CASA volunteer, as appropriate, to serve their individual needs and promote a safe, permanent placement as timely as possible.

2. Eligibility

The DFA awards two types of CASA grants: CASA Start-Up Grants and CASA Grants.

A. CASA Grant Eligibility

To be eligible to receive a CASA Grant, an applicant must be a:

- i. State or local government administering a CASA program, or
- ii. Non-profit organization administering a CASA program, or
- iii. Institution of higher education administering a CASA program

AND, the program must also:

- i. Be a member in good standing of the National CASA Association and be in compliance with NCASAA standards*;
- ii. Be a member in good standing of the Maryland CASA Association and in compliance with Maryland CASA standards (Appendix B);
- iii. Be in compliance with all CASA Grant Conditions (found at www.courts.state.md.us/family/grantadmin.html);
- iv. Demonstrate the ability (i.e. experience and expertise) to provide the service (NOTE: Qualifications of all new Program Directors must be submitted to the Administrative Office of the Courts prior to budget approval and release of funds);
- v. Demonstrate adequate internal financial controls to properly administer grant funds; and
- vi. For CASA programs who have received AOC funding in the prior year, submit all required reports and documentation prior to submitting an application for funding in a subsequent year.

**All programs must submit a copy of their most recent Certificate of Compliance from the*

National CASA Association annually with their grant application.

B. CASA Start-Up Grant Eligibility

To be eligible to receive a one-time CASA Start-Up Grant, an applicant must be a state or local government, or non-profit organization, or institution of higher education in a jurisdiction where there is not presently an established and active CASA program, but where one is being planned. The program must demonstrate that they are working in conjunction with the Maryland CASA Association when starting a program for a jurisdiction. Programs interested in applying for a CASA Start-Up Grant must contact the Department of Family Administration in advance of the CASA application due date.

3. Award Determination

A. CASA Grants

Awards will be determined using the *Guidelines for Funding Maryland CASA Programs* found in Appendix A of this document. As outlined in that model, the CASA grant award is a sum of the components outlined below:

- i. Current Capacity – based on the average number of volunteers in the program who were assigned to and serving children.
- ii. Training - based on the total number of volunteers who completed pre-service training in the most recent four quarters.
- iii. Jurisdictional Needs - based on the specific needs or challenges presented by the county(s) served, including serving more than one county.
- iv. Performance Award – based on the program’s ability to fulfill the tenants of the *Ten Point Performance Model for MD CASA Programs* found in Appendix A of this document.
- v. Capacity Building Award – based on a programs demonstrated need to increase the program’s ability to serve more children. This additional, “bonus” is subject to the availability of funds and will likely only be awarded to a very limited number of programs.

The CASA grant review committee will make funding recommendations in accordance with the *Guidelines for Funding Maryland CASA Programs*. Final award determinations will be made by reconciling the recommendations of the review committee with the funding available.

B. CASA Planning/Start-Up Grants

The review committee will review all requests and make funding recommendations based on the need in the community, the strength of the program, and the program’s potential for future sustainability. Final award determinations will be made by reconciling the recommendations of the review committee with the funding available.

4. Matching Fund Requirement

A. Cash vs. In-Kind Match

CASA grantees must provide a 100% match for their total CASA grant award. Up to 25% of the match can be in-kind with the remaining 75% being cash match.

- i. Cash Match is defined as the direct outlay of funds by the grantee or a third party to support the project.
- ii. In-Kind Match is defined as consisting of contributions of time and/or services of current staff members, supplies, space, etc., made to the project by the grantee or others working directly on the project.

B. Documentation Required

CASA programs must maintain documentation of all match reported, both in-kind and cash match. Documentation of in-kind match should show how the value of the contribution was derived. Grantees are also responsible for maintaining the needed back-up documentation to verify their valuations of in-kind costs. These documents may be reviewed on site visits and will be reviewed periodically by the Judiciary's Internal Audit Department.

C. Waiver

At the discretion of the grantor, matching fund requirements can be waived for start-up programs or for good cause upon consideration of the DFA's Director. Programs that have not received a waiver and do not meet the match requirement may be subject to a reduction of their grant award by the amount of the unmatched portion. Programs that experience a financial hardship during the funding period that will impact their ability to meet the match requirement should provide a written explanation of that hardship and request a waiver or modification of their match requirement in advance of the submission of their final reports.

5. Funding Period

The DFA awards CASA grants on the state's fiscal year cycle. Grants awarded for Fiscal Year 2017 will support program needs from July 1, 2016 through June 30, 2017. All funds must be expended within this time period.

6. Reporting

A. Program & Statistical Reporting

1. Programs must use a formal data tracking system such as the *CASA Outcomes Measurement and Evaluation Tool (COMET)* or the *CASA Efforts to Outcomes (ETO)* performance management system for data collection purposes. Other data systems may be authorized upon written request to the DFA. Programs are required to report on progress toward specific project goals and to provide statistical information on a quarterly and annual basis.

2. Specific program and statistical reporting requirements, including required reporting forms, will be provided to grantees by email prior to the start of the funding period. Reporting forms will be cumulative Excel Workbooks. Partial or incomplete reports will not be accepted. Reports submitted on forms other than those provided by the DFA for FY17, will not be accepted.

B. Financial Reporting

1. Programs are required to provide signed expenditure reports and grant invoices on a quarterly basis. These documents must be submitted by the due dates outlined below, even if the grantee did not expend any funds during the quarter.

2. Specific reporting requirements, including required reporting forms, will be provided to the grantee by email early in the funding period. Reporting forms will be cumulative Excel workbooks personalized for each grantee.

C. Report Submission Requirements

All reports (financial and program/statistical) must be submitted electronically to the DFA, emailed to DFAGrants@mdcourts.gov by the due dates outlined below. Reports must be scanned PDFs of the signed hard copy reports. The paper copies of the reports DO NOT need to be submitted. When a due date falls on a weekend or holiday, reports are due the next business day.

<u>Reporting Period</u>	<u>Report Due Date</u>
1 st Quarter (July 1 thru Sept 30)	October 15

7. Grant Monitoring

DFA staff will review submitted reports to evaluate the grantee’s progress towards meeting their stated goals and objectives. Staff will follow-up with grantees as needed to gather additional information and assess performance. Follow-up will be made by phone and in person through site visits. The site visits will be designed to ensure compliance with the grant guidelines and review progress toward the project’s stated goals and objectives and performance measure. Site visits may also include a fiscal review of grantee/project expenditures.

Updated: January 2016*

Guidelines for Funding Maryland CASA Programs

CASA Awards will be determined based on the recommendations of the CASA Grant Review Committee. The Committee will make award recommendations after a thorough review of each program's application packet.

The application packets shall include the following documents:

1. Grant Application (including a proposed budget & budget detail, letter(s) of support, and strategic & diversity plans*)
2. Q3 Quarterly Program Report Narrative (illustrating progress toward current fiscal year's stated goals)
3. Performance Monitoring Summary
4. Certificate of Compliance from the National CASA Association
5. Letter(s) of Support

**Programs are not required to have Strategic & Diversity Plans, but those who have created these plans should submit them with their grant application.*

1. Calculating the Award

Each CASA program's award will be based on the total of four possible components: capacity funding, training funding, jurisdictional needs funding and performance funding.

A. Part 1 – CAPACITY Award

The Capacity Award is based on the current capacity of the program. Capacity is determined by calculating the average number of volunteers assigned to and serving children over the past four quarters. The applicant must report the number of volunteers who were assigned and serving children on the last day of the prior 4 quarters. (*Q1, Q2, Q3 of current fiscal year & Q4 of prior fiscal year.*) This data must match the data submitted on the quarterly reports or the applicant will be required to correct the application.

Subject to the availability of funds, programs will be awarded \$1000 per volunteer.

Example: Program has an average of 50 volunteers; Capacity Award would be $50 \times \$1000 = \$50,000$

B. Part 2 – TRAINING Award

The Training Award is based on the number of new volunteers who completed pre-service training in the most recent four quarters. The applicant must report the number of volunteers who completed pre-service training in Q1, Q2, & Q3 of current fiscal year and Q4 of the prior fiscal year. This data must match the data submitted on the quarterly reports or the applicant will be required to correct the application.

Subject to the availability of funds, programs will be awarded \$250 per volunteer.

Example: Program trained 30 new volunteers; Training Award would be $30 \times \$250 = \$7,500$.

C. Part 3 - JURISDICTIONAL NEEDS Award

A Jurisdictional Needs Award may be provided to support programs that serve more than one county. Programs will be required to provide a description of the additional expenses the program incurs as a result of serving multiple counties. The Review Committee will evaluate this description and determine the amount to be awarded.

In addition, Jurisdictional Needs funding may be provided to support programs that describe factors in the county or county(s) served that illustrate a higher level of need. The Review Committee will evaluate this description and determine the amount to be awarded. *Example: A program that serves a large number of transition-aged youth may incur greater training and supervision costs.*

Subject to the availability of funds, award amounts in this section will be determined on a program by program basis.

D. Part 4 - PERFORMANCE Award

The Performance award will be determined by the Review Committee after evaluating each grantee's application packet using the Ten Point Performance Model for Maryland CASA Programs. (Outlined at the end of this document.) The application packet will not receive a score, but the reviewers will base recommendations for funding on their evaluation of the packet.

Subject to the availability of funds, the performance award may be limited to a maximum of \$10,000.

E. Part 5 – CAPACITY BUILDING Award

The Capacity Building Award will be a "bonus" awarded to programs that articulate a need for additional funding to increase the program's ability to serve more children. This additional funding is subject to the availability of funds and will likely only be awarded to a very limited number of programs.

2. Matching Fund Requirement

Maryland CASA programs must continue to provide a one hundred percent match for their total CASA grant award. Both cash (at least 75%) and in-kind (no more than 25%) may constitute match. Matching fund requirements may be waived for start-up programs, at the discretion of the Administrative Office of the Courts.

The Ten Point Performance Model for CASA Programs in Maryland

1. Strive to meet the needs of children in the child welfare system.
2. Train high quality volunteers.
3. Meet the court's needs.
4. Collaborate with other organizations inside and outside the jurisdiction to achieve good results for children.
5. Provide a committed, caring presence for each child and ensure children receive needed services.
6. Maintain a high quality program structure.
7. Demonstrate organizational efforts to be culturally competent and sensitive.
8. Advocate for children to reach permanency.
9. Heighten public awareness of the needs of children in the child welfare system.
10. Follow the Standards for Local CASA/GAL Programs established by the National CASA Association.

MARYLAND CASA PROGRAM PERFORMANCE STANDARDS

The CASA volunteer is considered a friend of the Court and does not have party status. Volunteers are not represented by an attorney but should be provided access to legal counsel by the program.

3. Program Operation

CASA Programs shall be administered by a director who has been selected by the local entities who are sponsoring the CASA program and approved by the Administrative Office of the Courts. The minimum requirements for this appointment are:

- A. A master's degree in the field of social work, psychology or child welfare-related field of study, or a bachelor's degree and an equivalent number of years of child welfare and/or non-profit management experience.

Permitting no more than a 30 to 1 ratio of active CASA volunteers to supervisor. (Note: It is recognized that during the initial developmental stages of CASA programs, due to a temporary shortage in funding, this ratio may not always be met by a CASA program.)

Establishing and implementing a regular in-service training schedule designed to increase the CASAs' understanding of the dynamics of the population they are serving and consequently enhance their service provision.

Establishing either an Advisory Board and/or Board of Directors for the purpose of overseeing the operation of the program and/or providing technical assistance. The membership of an advisory board should include representation from agencies affected by this program but should be made up, primarily, of representatives of the corporate community and the private sector. Boards of directors must have the above representation.

M. Not be employed in a position and/or otherwise involved with an agency that might result in a conflict of interest on the part of the CASA volunteer;

N. Volunteers shall be officially appointed as a CASA via swearing in and/or specific order of the court.

6. Transfers within the State

CASA volunteers moving to another county or city within the state that has a CASA program shall be subject to the same screening process conducted for other applicants before being allowed to serve as a CASA volunteer in that county or city. The volunteer may be required to attend any or all units of the pre-service training, as determined by the program to which the applicant has applied before being allowed to serve as a CASA.

7. Authority for Appointment of Court-Appointed Special Advocate and Case Assignment Process

The CASA Program is authorized by an official Order of the Court, at the judge's discretion, to assign a volunteer to a child's case. Volunteers should be assigned at the earliest stages of the court proceedings and shall remain involved in their assigned cases until dismissal by official Order of the Court. Volunteers who terminate from their assigned cases prior to the conclusion of the court proceedings shall be replaced by the CASA program with other volunteers as soon as possible. CASA programs are not authorized to conduct home studies or evaluations of any kind at the request of other jurisdictions within or outside the state.
