

## Special Conditions for FY26 Special Project Grants

### 1. Overview of the Special Project Grants (SPG) Program

Special Project Grants are awarded by the Administrative Office of the Courts (AOC), through Juvenile & Family Services (JFS), to support programs designed to increase access to justice and enhance the experience of families and children involved with Maryland's legal system. These grants include, but are not limited to programs in the following categories:

Domestic Violence	Legal Services	Alternative Dispute Resolution
Juvenile Justice	Child Welfare	Adult Guardianship

### 2. Eligibility

#### A. To be eligible to receive a Special Project Grant, an applicant must be:

1. Maryland State or local government, or
2. Non-profit organization, or
3. Institution of higher education within the state of Maryland.

#### B. Special Conditions for CASA Grantees applying for Special Projects Grants

1. CASA grantees are eligible to apply for Special Project Grants if the funding requested would support a project outside of the regular advocacy activities.

*(Examples: Funding could be granted for: Collaborative training between CASA programs; Collaborative training with DSS, DJS, Children's Attorneys or other stakeholders; independent living skills training for older youth, etc.; but SPG funding would not be granted to cover the space/food/staffing costs of regular pre-service trainings.)*

2. Special Project funds awarded to CASA programs cannot be used as matching funds for the CASA grants.

### 3. Award Determination

Special Project grant applications are submitted and reviewed by subject matter type. For applicants previously funded by JFS, the grant review committee will review the grantee's past performance in addition to the application. For some grant types, the committee may use a funding formula that factors in the applicant's past performance and the need in the community to be served to determine the appropriate funding level. This is done to ensure equitable funding between programs that are being funded for the same work.

All JFS funding is limited by the Judiciary's grant allocation from the General Assembly. Final award recommendations will be made by reconciling the review committee's recommendations

with the funding available. The final funding determination will be made by the State Court Administrator after consultation with the Assistant Administrator for the Programs Division and Juvenile and Family Services.

**4. Matching Funds**

SPG grantees are generally not required to match the grant award. However, matching funds may be required when concerns about a program’s financial management arise. If match is required, it will be a condition of the award detailed in the grant awarding documents.

**5. Funding Period**

JFS awards SPG grants on the state’s fiscal year cycle. Grants awarded for Fiscal Year 2026 will support family and juvenile program needs from July 1, 2025 through June 30, 2026. All funds must be expended within this period.

**6. Accepting and Finalizing the Award**

By the end of May, funded applicants will receive a “Notice of Intent to Fund” email from JFS. This email will contain instructions for accepting and finalizing the grant award including any further requirements or conditions of the award. Grantees are required to complete the requirements within two weeks, unless otherwise indicated.

All CASA grantees will be required to submit the documents listed below, including, but not limited to:

1. Completed and Signed Award and Acceptance Form
2. Completed Final Budget

Grantees who fail to provide the required documents before the start of the funding period (July 1) may have their grant award rescinded.

**7. Reporting**

**A. Progress & Statistical Reporting**

Programs are required to report on progress toward specific project goals and provide statistical information on a quarterly basis. Specific program and statistical reporting requirements, including required reporting forms, will be provided to grantees by email. Partial or incomplete reports will not be accepted.

**B. Financial Reporting**

1. Programs are required to provide signed expenditure reports and grant invoices on a quarterly basis. As detailed in the Judiciary’s [General Conditions](#), grants are awarded on a reimbursement basis. Therefore, reports and invoices must only reflect actual grant expenditures incurred during the quarter.

Expenditure reports and invoices must be submitted by the due dates outlined below, even if the grantee did not expend any funds during the quarter.

2. Specific reporting requirements, including required reporting forms, will be provided to the grantee by email early in the funding period.

Per page 4, #10 of the General Grant Conditions:

**A. Budget Amendments**

- i. Unless otherwise directed by the Special Conditions for the grant program, grantee expenses may vary from the approved budget provided that the variance does not exceed the total amount budgeted for the category by more than 10% or \$10,000 (whichever is less) and does not include any new line items not previously included in the approved budget. Grantees are required to submit a budget amendment request for pre-approval of any expenditures that would exceed this threshold.
- ii. Grantees must request pre-approval to add new budget line items regardless of the amount.
- iii. Expenditures that do not comply with the adjusted or approved budget will not be authorized for payment.

When a preapproval is required for a budget modification, grantees must complete “Modification Request” tab of their financial workbook and submit the request by emailing the entire workbook to [DJFSGrants@mdcourts.gov](mailto:DJFSGrants@mdcourts.gov).

**9. Mid-Year Grant Award Modifications (Supplements)**

JFS may make mid-year grants upon request, dependent upon availability of funds. Requests may be submitted in response to a Notice of Funding Availability (NOFA) or upon consultation with JFS staff.

## 10. Grant Monitoring

### A. Programmatic

JFS staff will review submitted program/statistical reports to evaluate the grantee's progress towards meeting their stated goals and objectives and assigned performance measures. Staff will follow-up with grantees as needed to gather additional information and assess performance. Follow-up will be made by phone and through in-person and virtual site visits. The site visits are designed to ensure compliance with the grant guidelines and review progress toward the project's stated goals and objectives and performance measures.

### B. Financial

JFS staff will review submitted financial reports to evaluate the grantee's spending and progress toward meeting their stated goals and objectives. During one quarter per funding period, grantees will be required to submit back-up documentation of expenditures being invoiced. Notice of this financial check will be provided at the close of the quarter for which documents are being requested. Site visits may be conducted when the financial review raises a concern.

### C. Audit

All grantees funded by the AOC are subject to audit by the AOC's internal auditors. These audits will occur once every three to five years.

## 11. Contact Information

### A. Grantee Contacts

Grantees are responsible for ensuring that JFS is provided with accurate and up-to-date contact information for their program. JFS sends all grant information by email.
