DEDRICK CORNELL JOHNSON

v.

STATE OF MARYLAND

Shaw,
Ripken,
Meredith, Timothy E.
(Senior Judge, Specially Assigned),

JJ.

PER CURIAM

Filed: March 28, 2025

*This is a per curiam opinion. Under Rule 1-104, the opinion is not precedent within the rule of stare decisis, nor may it be cited as persuasive authority.

Dedrick Cornell Johnson, appellant, appeals from the denials, by the Circuit Court for Baltimore County, of a petition for evaluation and treatment for drug and alcohol abuse treatment and a motion to correct illegal sentence. But, Mr. Johnson’s notices of appeal from the judgments were filed in the circuit court more than thirty days after entry of the judgments. *See* Rule 8-201(a) (a notice of appeal “shall be filed with the clerk of the lower court”); Rule 8-202(a) (a “notice of appeal shall be filed within 30 days after entry of the judgment or order from which the appeal is taken”). Also, in his informal brief, Mr. Johnson does not explain why the court erred in denying the petition and motion, explain why the judgments should be reversed or modified, describe the pertinent facts, or present argument supporting resolution. *See* Guidelines for Informal Briefs, Section (b)(2) (“[i]n the Informal brief, the appellant must identify issues that explain why the trial court erred or made a mistake in deciding the case and why the decision should be reversed or modified,” and “[t]he issues . . . should be stated concisely with a description of the facts surrounding the issue and an argument supporting the resolution of the issue”). Accordingly, we shall dismiss the appeal.

**APPEAL DISMISSED. COSTS TO BE PAID
BY APPELLANT.**
