PER CURIAM

Filed: June 29, 2023

\*At the November 8, 2022 general election, the voters of Maryland ratified a constitutional amendment changing the name of the Court of Special Appeals of Maryland to the Appellate Court of Maryland. The name change took effect on December 14, 2022.

\*This is an unreported opinion, and it may not be cited in any paper, brief, motion, or other document filed in this Court or any other Maryland Court as either precedent within the rule of stare decisis or as persuasive authority. Md. Rule 1-104.

Ghislane Paul, appellant, filed a notice of appeal following the denial, by the Circuit Court for Calvert County, of a motion to reconsider the denial of a “Motion for In Banc Review.” But, in her brief, Ms. Paul challenges the court’s dismissal, without prejudice, of a “Petition for Action to Obtain Medical Records” and award of “30 days leave to refile.” Appellees Patuxent Cardiology Associates, LLC, and Vasundhara Muthu, M.D., move to dismiss the appeal “to the extent that it seeks review of matters beyond the lower court’s denial/dismissal of the In Banc Review as untimely and corresponding Motion for Reconsideration.”

We grant appellees’ motion. We have stated that “an order dismissing claims without prejudice and granting leave to file an amended complaint is not a final judgment, and therefore is not appealable.” *Doe v. Sovereign Grace Ministries*, 217 Md. App. 650, 661 (2014) (citations and emphasis omitted). Accordingly, we dismiss the appeal.

**APPEAL DISMISSED. COSTS TO BE PAID  
BY APPELLANT.**
